GREEN INITIATIVES

- Improved indoor air quality thanks to low VOC paints and flooring throughout
- **Smart Location:** pedestrian-friendly community with easy access to transit; efficient site-planning for compact housing; and a diverse range of housing/floor plan types
- **Water Conservation:** low-flow toilets, showerheads and faucet aerators, as well as drought-tolerant landscaping
- **Energy Conservation:** high-efficiency domestic hot water, heating & cooling system; energy-efficient common area lighting; Energy Star® windows, refrigerator, dishwasher and clothes washer; and 2x6 R24 exterior wall insulation
- **Emissions Reduction:** pre-wired power to select parking stall locations in the underground parkade for Level 2 electric vehicle charging
- **Recycling Program:** recycling facilities for residents; recycled materials used in construction; demolition material and up to 75% of construction waste recycled
- **Extra-Green Efforts:** native plantings to reduce the need for pesticides and fertilizers; erosion control and vegetation safeguards; soil control and bulk excavating to reduce site disturbance; and environmental workshops with trades and suppliers

CONNECTED & CONVENIENT

- Parks, transit, groceries and numerous other amenities and services within walking distance
- Telus Future Friendly Homes® come technology ready with the Telus Smart Hub for easy and secure WiFi connectivity and Internet access, CAT5e wiring and multiple pre-wired connections for high-speed cable and Internet
- Free Telus TV and High-Speed Internet for one year
- Secure bicycle storage room
- Storage locker for each home at the parking level
