

THE WINDSOR

Elevated Vision

The Height of Living

The Windsor is a new 12-storey mixed-use development coming to Norquay Village along Kingsway in the heart of Vancouver. Located on one of the highest points in the city, The Windsor is designed to take advantage of the stunning, unobstructed and endless views of the downtown skyline, North Shore Mountains and beyond.

Norquay Village, a new master-planned community in Vancouver, is a vibrant, diverse district with deep roots and a clear vision for the future. It's an energetic, walkable neighbourhood with a rich mix of shops, services and community amenities. The Windsor is led by Imani, a Vancouver-based developer with a track record of projects that complement their communities. They share the vision for the community, and believe The Windsor presents a bold opportunity to be part of something special. Something historic.
