A BEACON OF CONTEMPORARY LIVING ON THE DRIVE.

Designed by Taylor Kurtz Architecture + Design, The Oxley features an engaging contemporary aesthetic tailored to its surroundings. The combination of white-brick, black steel and wood is striking, a reflection of the optimism of its vibrant neighbourhood. Inside, open-concept interiors are a canvas for your creativity, with kitchens crafted and imported from Italy, high ceilings, expansive windows and smart layouts offering a generous taste of space and light.

THE OXLEY

LOCATION

EAST OF DOWNTOWN. NORTH OF EXTRAORDINARY.

The Oxley is connected to Commercial Drive, one of the most engaging and energetic communities in the city. This neighbourhood has emerged as a hive of change, and The Oxley is poised as another catalyst in its evolution. The area is home to some of the best Vancouver has to offer and a gathering place for neighbors: coffee shops and craft breweries, parks, schools and top rated restaurants, not to mention galleries, book shops and furniture stores.

Just a few blocks away from The Oxley are the charming districts of Strathcona and Hastings Sunrise where exciting new amenities are popping up at a fierce pace.
