Generous Living Spaces with Quiet Elegance

Designed by renowned GBL Architects, the buildings' contemporary facades pay tribute to the community's heritage while being designed and built for the future. Inside, gourmet kitchens inspire at-home chefs with brand-name appliances and marble accents. Find solace and renewal in the spa-inspired ensuites with polished stone finishes, floating cabinetry and walk-in showers. Many of the homes feature generous patios in addition to sun-filled living spaces, creating a unique oasis for outdoor living.

A Riverside Neighbourhood That's Redefining Vancouver

River District is a meticulously planned waterfront community that unfolds naturally along the Fraser River. It's a people-focused neighbourhood that offers an assortment of boutique shops, services and restaurants where people can mix and mingle and enjoy the open-air feel of the streets and plaza. Surrounding this great area are lush green spaces, from 10 acres of dedicated parks where the kids can play, to full-sized sports fields and tree-lined cycling paths. Steps from your door, a bustling community centre offers a wide variety of programs for all ages, including movie nights and art shows. From the scenic pier to the lively waterfront plaza, it's no wonder River District is Vancouver's favourite new place to call home.
