

BOUTIQUE CONDOS OFFER GREAT VIEWS AND LIFESTYLE

There is still a great selection of homes available at Lattice², offering 1 and 2 bedroom luxury condos ranging in size from 938 – 1,247 sq.ft. in the heart of the award-winning community Milner Heights. These homes are intelligently designed with open floor plans and spacious balconies that maximize your views – the perfect backdrop for entertaining and everyday life. A shared rooftop amenity space features a children’s play area, community gardens, picnic tables and panoramic vistas of Milner Valley and Mount Baker. Retail shops on the ground floor add convenience, and at your doorstep is an abundance of green space and quiet, beautifully landscaped streets. Just minutes away are more shops, schools and recreational facilities. Plus, you have easy access to major commuter and transit routes that connect you to the rest of the Lower Mainland. Discover true quality of life at Lattice² and the Milner Heights community.

LOCATION

Milner Heights is centrally located in one of Langley’s finest neighbourhoods close to great schools, an abundance of shopping choices, restaurants, first class recreation and major transportation routes.

Enjoy a movie at Colossus theatres, golf at one of 6 nearby courses, play hockey at Twin Rinks or watch a sporting event at the Langley Events Centre - it’s all close by!

Dining options are just minutes away including Brown’s Social House, The Keg and Olive Garden. Willowbrook Shopping Centre, featuring over 130 shops and services, is just a 10 minute drive west of Milner Heights and you’re just down the street from Chapters, Home Sense and Costco. Ever better, a collection of local shops and services that will be steps from your front door are in the future plans.

Getting anywhere else you need to go in the Lower Mainland is also quick and convenient from Milner Heights with major transportation routes such as 200th street, the Trans-Canada Highway and Golden Ears Bridge all close by.

ABOUT VESTA

VESTA Properties is an integrated developer and builder with over 25 years of industry experience. We understand that selecting the right home and community is one of the most important decisions that you'll make. That's why we're dedicated to making smart choices throughout the planning, design and building process to deliver you the best lifestyle and investment value in every neighbourhood we build.

We start by securing the best locations and then spend countless hours on the design of our homes and neighbourhoods to create perfect places for our homeowners to live and grow. Each VESTA home is built with top quality construction and workmanship, and is subject to our stringent quality control standards. This process, combined with our unwavering commitment to customer care, translates into superior new home value and a smart investment decision for our homeowners. We call this VESTA Value - and it's how we've successfully built more than 4,000 homes in 40 award-winning neighbourhoods in BC and Alberta.
