

FEATURES AND FINISHES

CUSTOMS HOUSE offers a rare opportunity in today’s super prime real estate market – the luxury of space. With homes as large as 4,400 square feet, each home has been painstakingly designed to offer the true elegance and sophistication that only comes from surroundings that offer room to breathe. A home at CUSTOMS HOUSE is a palette that invites your creativity, and the chance to create a space of your own.

ARCHITECTURAL VISION

Never before, never again

One of the three grande dames of the Inner Harbour, *Customs House* is about to become Victoria’s premier waterfront residence. Old world architecture maximizes the sun, sea and cityscapes unique to this one-of-a-kind location. Original stone masonry combined with new concrete construction and the latest building technology will ensure this unique offering will stand watch over Inner Harbour for another century and beyond.

With the stately *Empress Hotel*, the *BC Legislature* and the stunning Inner Harbour as your backdrop, *Customs House* is poised to take its place as the only true world class residence in Victoria.
