A PRIVILEGE OF PLACE

It's the city's original chosen neighbourhood,
home to Vancouver's first wealthy family
dynasties, who were irresistibly drawn to this
wooded seaside location adjacent to the
downtown core.

DESIGN

SIMPLY VANCOUVER

The Thurlow is a unique collaboration of Vancouver's leading developers, architects and designers, joined together to lead a renaissance of urban elegance in an area originally known for its urbanity. Defined by an understated refinement – the hallmark of true sophistication – The Thurlow exemplifies what can be accomplished through contemporary design: a calming welcome, a gracious warmth, a finely detailed appreciation of quality.

The building's exterior, by NSDA Architects, is a manifestation of restrained architecture and thoughtful design that delivers a striking simplicity in a textured landscape. The Thurlow's curated efficiency reveals an elegance of design that invites sophisticated seaside living – downtown, above beach.

Shared spaces designed by McKinley Burkart create an understated, hand-crafted experience, with views to some of the most spectacular scenery on the globe.

LOCATION

WHERE THE WORLD WANTS TO LIVE

From Vancouver's earliest days, when decadent mansions were erected here and these sandy shores filled with the city's social elite, the magnificent natural splendor and urban energy of this utterly vibrant place have beckoned people from near and afar.

AT WORK, PLAY AND CELEBRATION

Here, we celebrate life, beauty, and unfettered access to the very best. We bury our toes in the sand one moment, and indulge in world-class dining the next. We smell the salt air on our walk to work. Twenty-two kilometres of seawall wrap the lush expanse of Stanley Park, with a string of sandy beaches that invite you to the water's edge. Stroll along leafy neighbourhood streets to the high-end fashion district, the city's cultural centres, or to the business district. Immerse yourself in the convergence of natural beauty and an urban bounty that is the very definition of our city – what it means to live here.

TEAM

A LOCAL TEAM. A WEST END VISION.

THE DEVELOPERS

Strand and Intracorp have come together to bring a rare vision to life in Vancouver's storied West End neighbourhood.

Intracorp has been building the extraordinary for more than 40 years, delivering high-quality communities across the Lower Mainland, with a commitment to timeless, enduring architecture and design-led homes. Intracorp is an end-to-end developer who carefully listens to the market, the people, and the city. This leads to innovative, extraordinary experiences for our buyers, in more than 63 communities across the region and 176 communities throughout North America. This next chapter will bring that story forward, in a West End neighbourhood that's ready for a brilliant evolution.

Strand, founded more than 40 years ago in Vancouver, has delivered more than 23,000 homes across North America. Over the years, Strand has developed dozens of award-winning communities – several alongside top-tier co-development partners – and, in doing so, has cemented a reputation for having a strong ethos of collaboration and integrity to complement a global sensibility and commitment to timeless design. While the company has been a quiet force locally, this project represents a new, more visible era for Strand while deepening their investment in the future of our city.

THE ARCHITECT

NSDA Architects, in collaboration with Richard Henry Architect, has delivered a new West End landmark with The Thurlow. NSDA's diverse portfolio and experience, developed over the last forty-plus years, has culminated in this newest collection of homes; understated, subtle and timeless. The Thurlow is a study in urban sophistication, designed to frame all the light and lifestyle of this unparalleled downtown location.

THE DESIGNER

McKinley Burkart creates a formidable design force at The Thurlow, bringing their internationally acclaimed design acumen for all shared spaces and sophisticated creations for home interiors.

McKinley Burkart Architecture and Interiors

McKinley Burkart is a boutique Architecture and Interior Design Firm with a passion for contextual architecture, visionary design, and holistic brand strategy. At McKinley Burkart, some of the brightest and most creative minds push boundaries, rethink, and create every day.

International Design

Based in Vancouver and Calgary, McKinley Burkart comprises 40 talented, multi-disciplinary design professionals. Taking on projects around the world, they bring an international, creative outlook to every aspect of their designs.
