

A New ERA for Downtown Maple Ridge.

SCROLL

1, 2 & 3 Bedroom Homes in Maple Ridge's New Town Centre.

There's real change happening in Maple Ridge – a change that will shift the heart of the city to a vibrant new master-planned community. Welcome to ERA, where approximately 1000 contemporary condominiums and city homes span three city blocks, complete with parks, shops, and office space. And it's all connected to the best of local living, including the West Coast Express and a natural paradise. Every day is a new day at ERA.

A Vibrant New Master-planned Community

ERA is redefining Maple Ridge with a seven-phased, master-planned community, where people will live, work, shop, and play together.

A Vibrant New Master-planned Community

The Heart of the Community.

ERA is redefining Maple Ridge with a seven-phased, master-planned community, where people will live, work, shop, and play together. Architecture throughout is modern and urban, yet thoughtfully designed to fit in with Maple Ridge’s rural roots. You will experience the design subtly change from soft to sharp as you move from north to south, from residential to urban vibes. Maple Ridge Modern is in a class of its own.

Always Things To Do and Places To Go in Maple Ridge.

A Community Evolving With You.

With mountains rising in the not-so-far distance, Maple Ridge has always been a picturesque place to call home. It's also a thriving one – a lively community of shopping, dining, culture, and recreation. ERA, with its own selection of urban amenities, is only an 8-minute walk to Maple Ridge City Hall, the Public Library, and the Leisure Centre. Stretch your legs a couple of minutes further and reach Memorial Peace Park, the ACT Arts Centre, and Haney Place Mall, where you will find Walmart, Thrifty Foods, and Rexall Drugstore amongst other shops and services. Commuting is also a walkable experience – hop on the West Coast Express at Port Haney Station just 15 minutes from home. If you'd rather not walk, the new B-Line service takes you to Coquitlam SkyTrain station, and Highway 1 and Lougheed Highway are also easily accessible.

Welcome to The Neighbourhood.

A Complete Community.

North + South Buildings & City Homes.

The first phase, bordered by Dewdney Trunk Road, Plaza Street, and Brown Avenue, offers condominiums and city homes in north and south buildings with a cluster of city homes in the middle.

SOUTH BUILDING

The South Building, comprised of both condominiums and city homes, connects two simple forms with a series of bridges – viewpoints to look over the inner courtyard and to the mountains. Various materials and textures are used to create interest at this prominent corner position, along with lush landscaping at the entrance.

NORTH BUILDING

Borrowing from the dynamic façade of the South Building, the North Building features a slightly different colour palette to fit in with the neighbouring residential community. A sloped roof, punctuated by modern dormers on the upper level, cascades down a corner of the façade to mark the entrance – it's a design-forward welcome home.

CITY HOMES

The collection of three- and three-bedroom plus den homes, will be joined by pedestrian pathways weaving through lush courtyards. Watch the morning unfold at a sidewalk café, meet a new neighbour, or take a relaxing evening stroll. It's an atmosphere that's always welcoming, a place that always feels like home.

Interiors Shaped by Your Style.

Home is a timeless canvas for you to be yourself in. Open floorplans are designed for versatility, so you can place your furniture without feeling cramped. The natural colour palette is simple yet warm – a backdrop where you can inject personal style.

A Kitchen for all Cooks.

Whether you love to cook or not, you will appreciate the professional look of the simple and airy kitchen – from chimney-style hood fan to the Italian-inspired cabinetry to the premium toxin- and chemical-free quartz countertops. The well-designed space, with plenty of storage options, is a setting for everyday living, entertaining, and long-lasting memories.

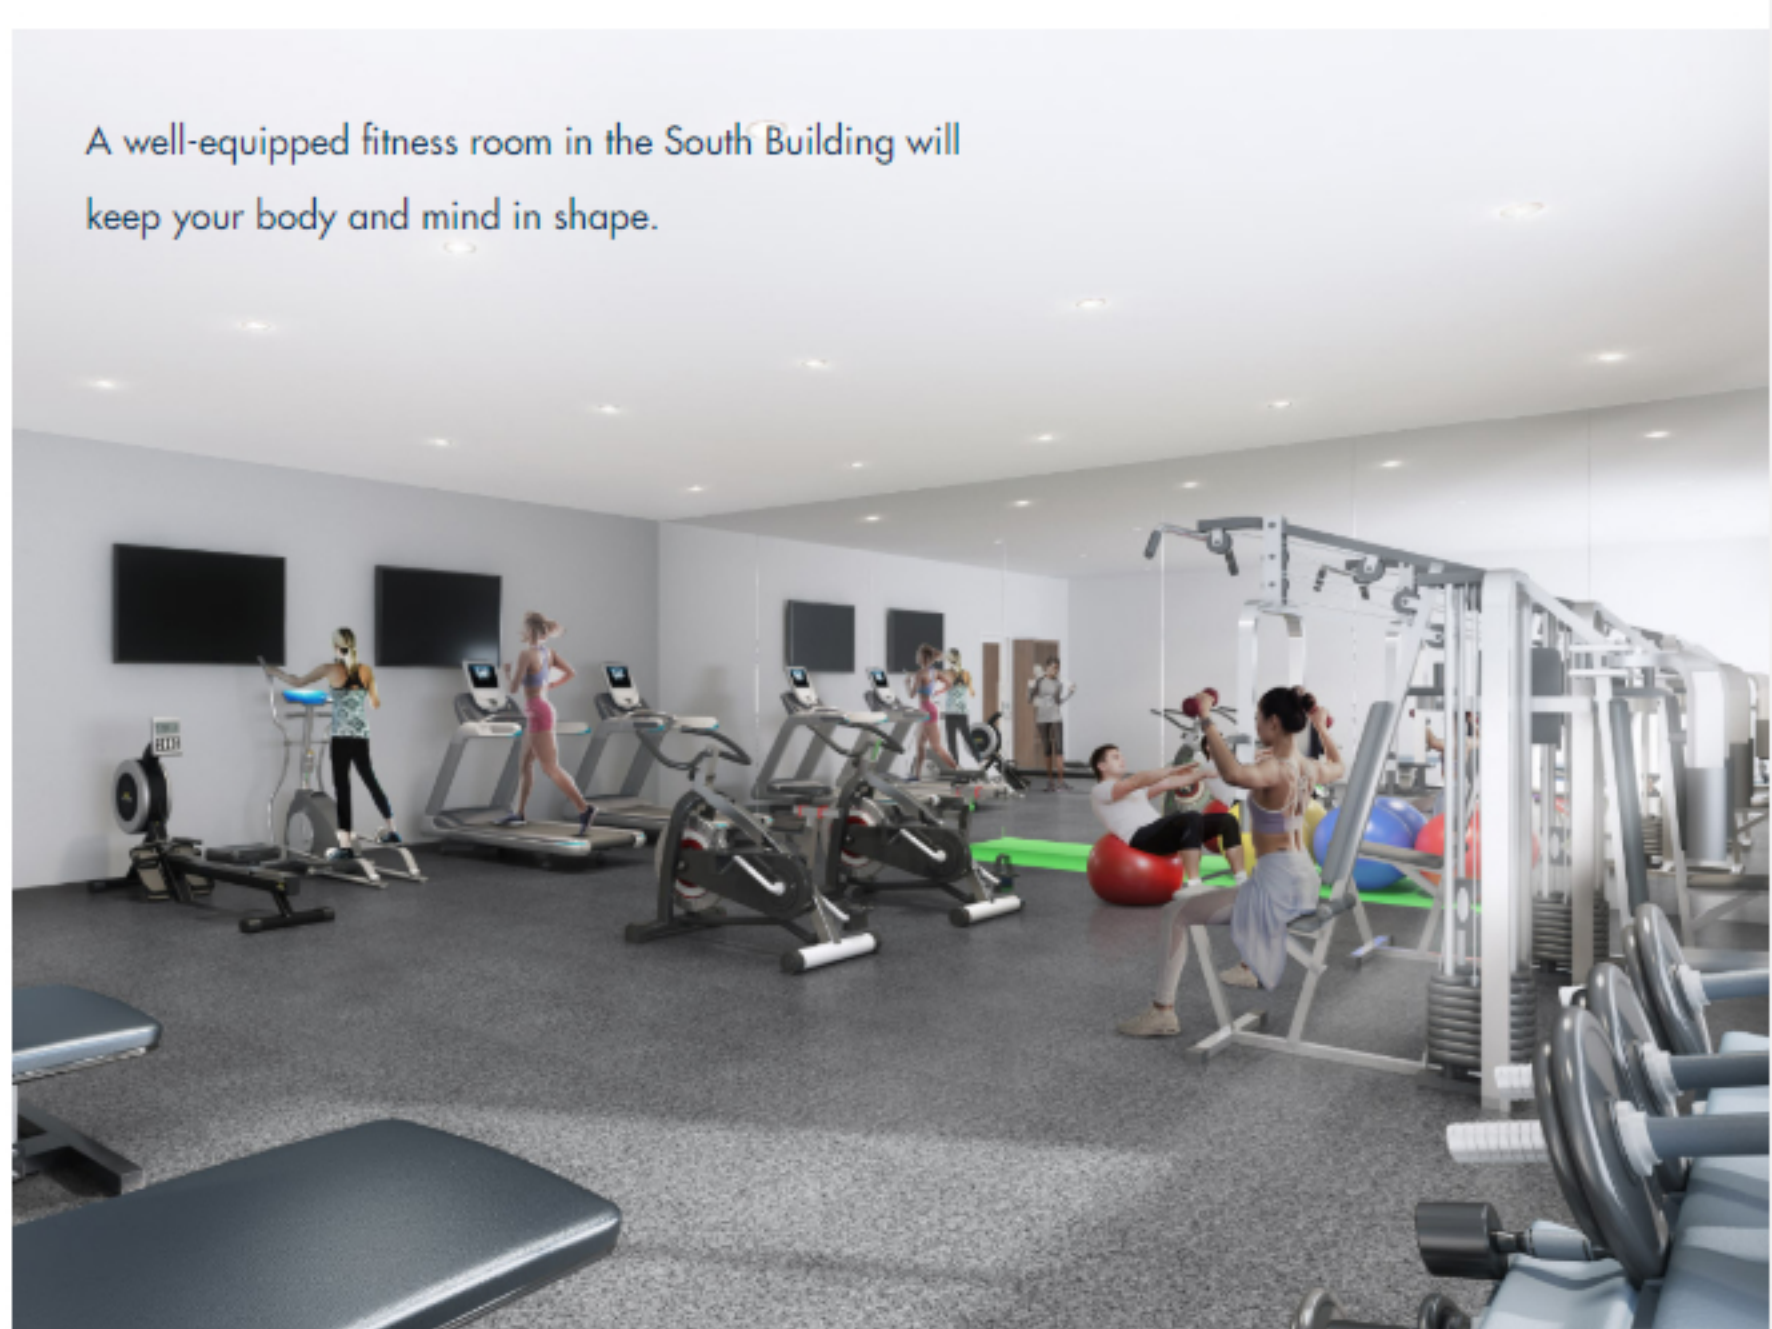

Relax in Luxury.

With porcelain tiles lining the floor and walls, black plumbing fixtures, and a perfectly contoured soaker-style tub, you will quickly label the bathroom as your haven. It's not only the look of European luxury that draws you in, it's the ease of the space, which includes expansive storage drawers in the vanity to organize all your toiletries.

Spaces That Bring you Together.

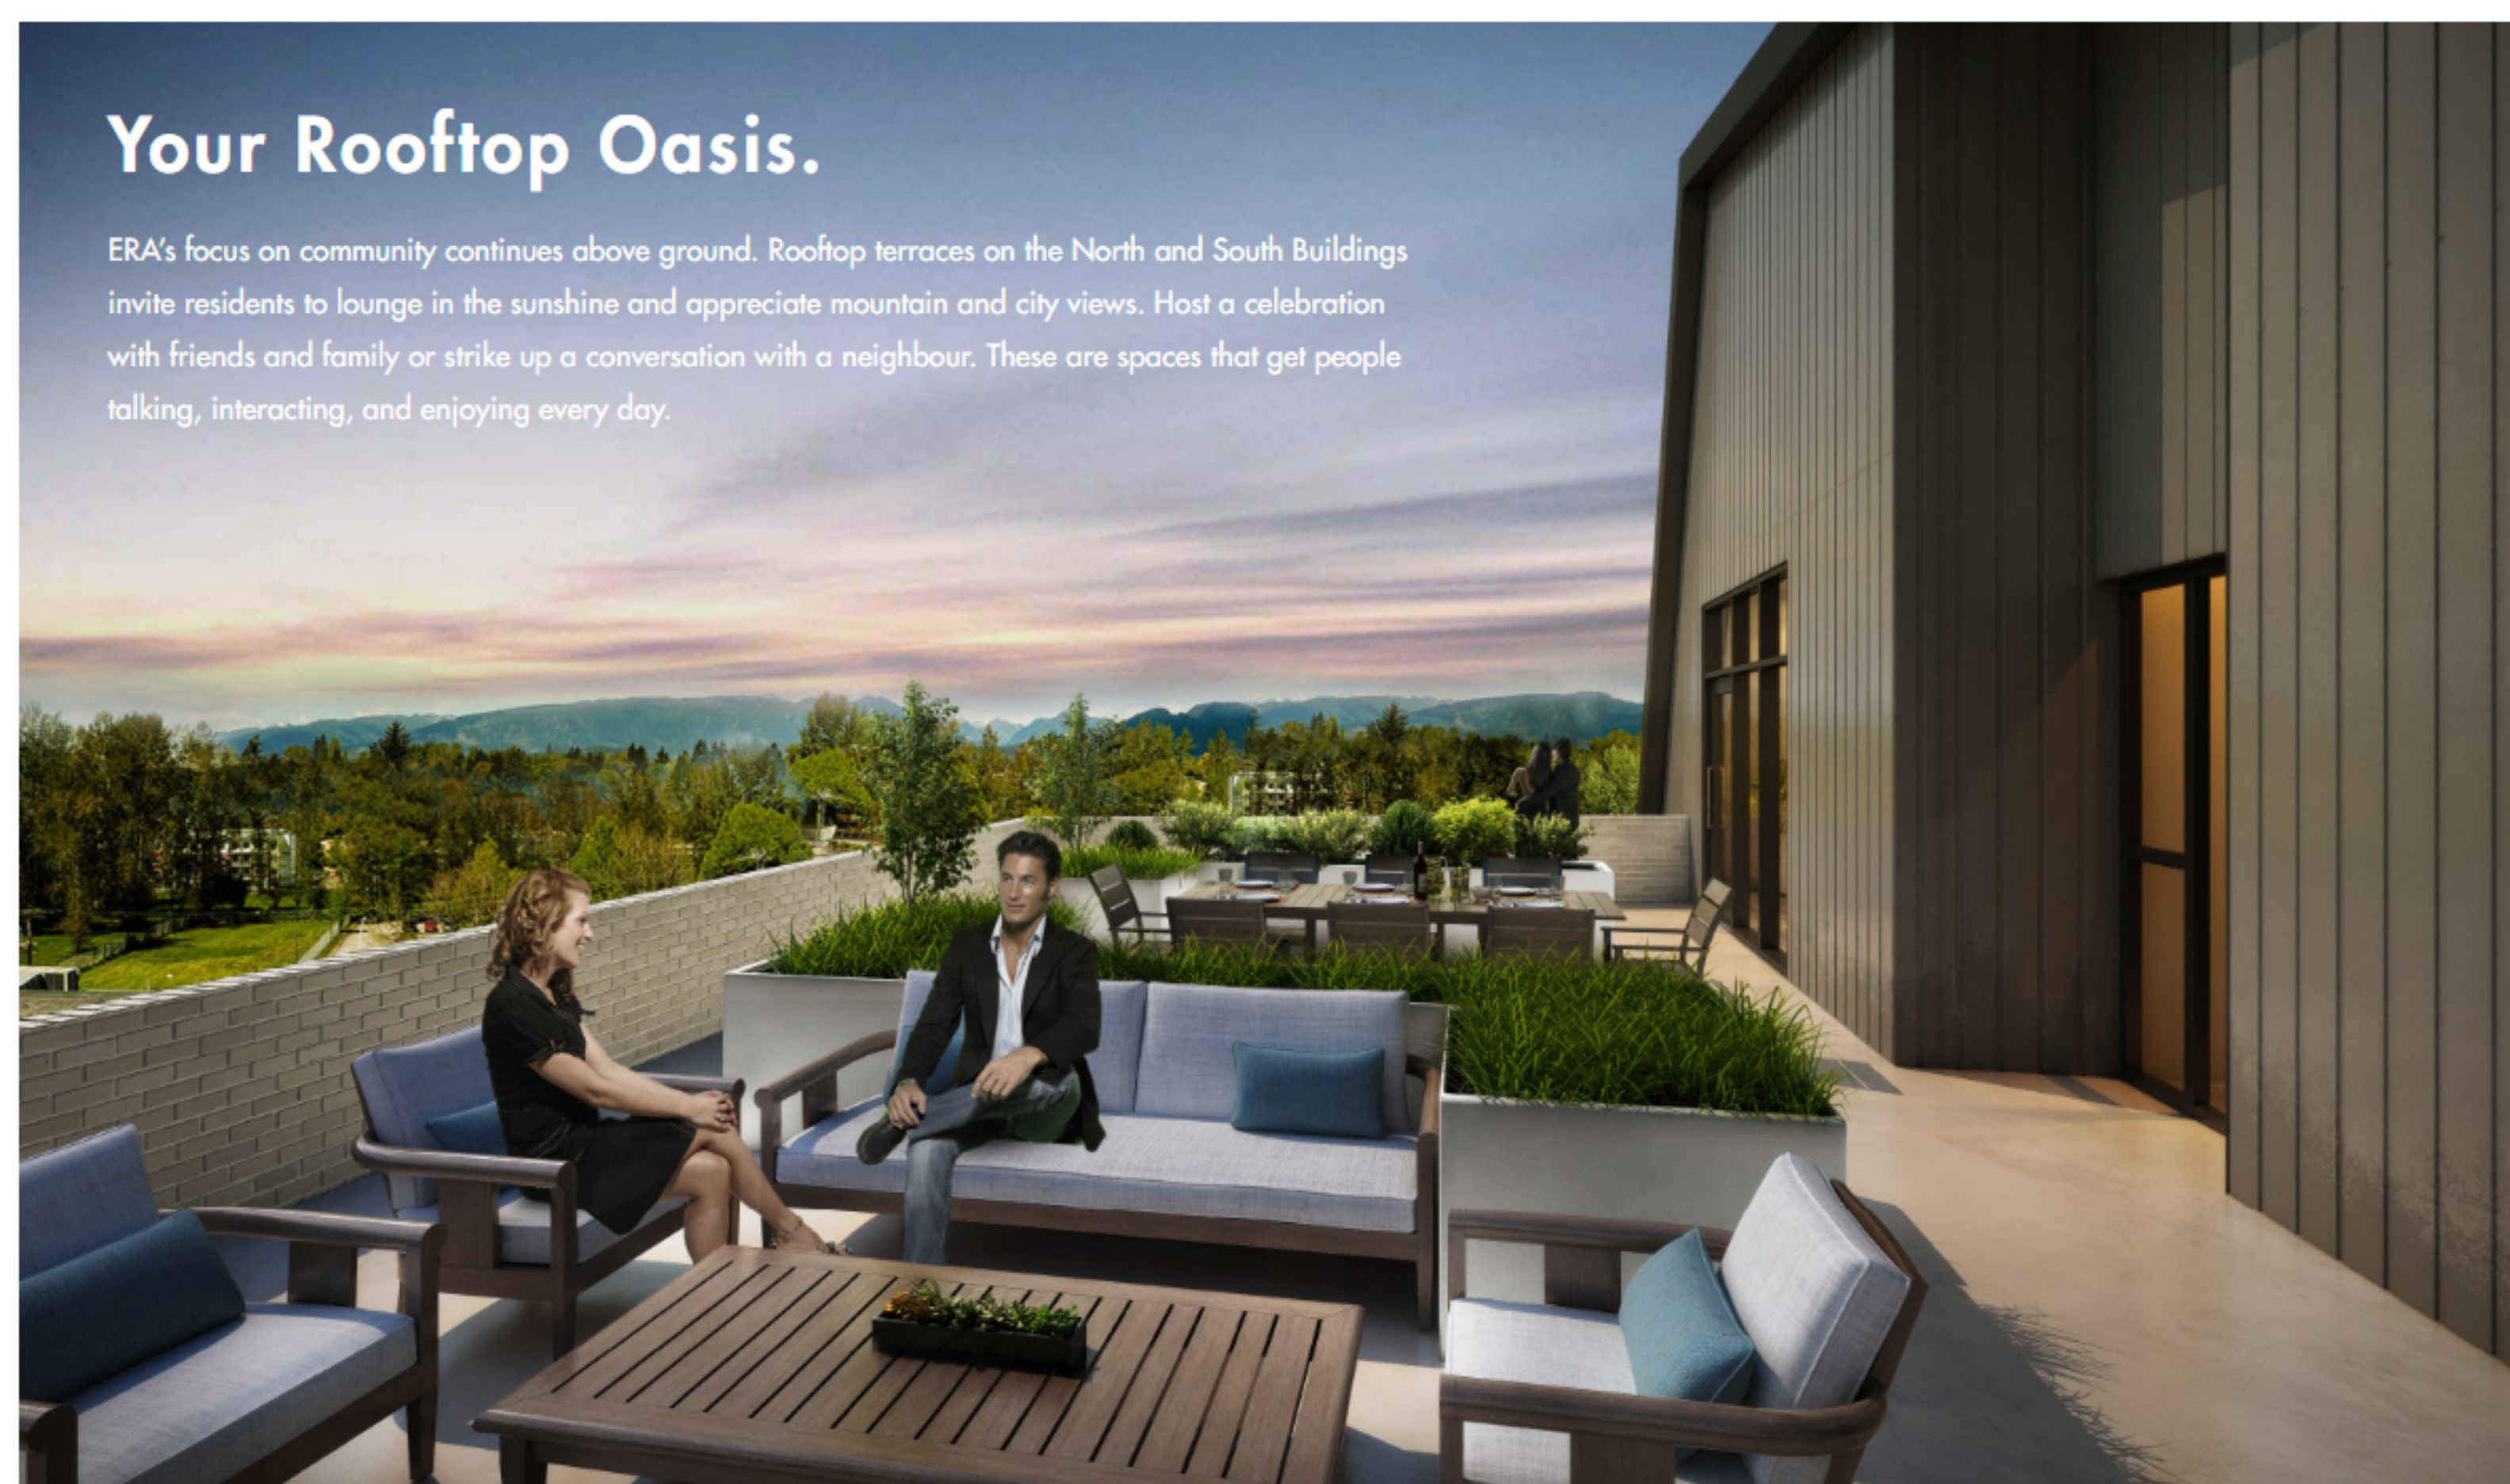

A well-equipped fitness room in the South Building will keep your body and mind in shape.

ERA focuses on community. The sense of belonging to a place is one of the key to a healthy life. Throughout phase one, there are spaces that get people talking, interacting, and enjoying every day. Rooftop terraces on the North and South Buildings invite residents to lounge in the sunshine and appreciate mountain and city views. Host a celebration with friends and family or strike up a conversation with a neighbour. These are spaces that get people talking, interacting, and enjoying every day.

Your Rooftop Oasis.

The Team

Johnston Meier Insurance Agencies Group

Bruce Johnston and Tom Meier formed a partnership in Maple Ridge in 1973 – Johnston Meier Insurance Agencies Ltd. Throughout the last decades they have acquired properties and were involved in the development of numerous residential and commercial buildings. As Maple Ridge residents, Bruce and Tom are intent on giving back to the community and helping enrich the core of Maple Ridge. ERA, a multi phased development, will create public spaces for local residents with a central park and other inviting walk and bike paths throughout.

SwissReal Developments, founded 35 years ago, has a strong track record in the development of properties, such as residential, commercial, industrial, and multi-use buildings. Work undertaken ranges from new developments, such as The Exchange building in downtown Vancouver, to upgrading existing buildings.

Iredale Architecture (IA) is an award-winning, architectural firm with offices in Vancouver and Victoria. In addition to architecture, the team has expertise in interior design, master planning, heritage rehabilitation, adaptive reuse, building envelope science, and LEED and Passive House facilitation. IA provides services for a wide range of projects including single and multi-family residential, commercial, civic and cultural, educational, and light industrial.

MB DESIGN

Megan Bennett Design is an award winning, full service design house, formed in 2001. They work closely with clients to create thoughtful and timeless design to suit varying lifestyle needs, believing both fun and whimsy should be injected into design and every day. Specializing in custom homes, renovation, and residential multi-family projects.

Key Marketing is a full-service project marketing and sales firm that specializes in multi-family communities. Key has had the privilege of working with some of Western Canada's top developers to acquire, envision, market, and sell projects throughout the Lower Mainland, BC Interior, Calgary, and Toronto. The result has been billions in sales and a proven track record of success and happy customers.
