Main St. Homes

Authentic Maple Ridge

Hello, we're Main St. Homes.

Founded and based in Maple Ridge, we are a small family-owned business, building the future of "home" one soulful square foot at a time. Our mantra is to build communities, not complexes – both townhomes and single-family homes where people feel true connection to family, friends and the neighbour next door.

Authentic community spirit guides our philosophy to design and craft homes that are durable, healthy, earth-friendly and most importantly where West Coast families feel comfortable!

Our city is beaming with creative and skilled people and Main St. Homes is proud of the close-knit talented team who collaborate in creating a community for everyone. Local carpenters and finishers to masonry masters and cheerful, helpful sales people. Our roots in the new home industry go back 25 years and our vision is to continue to build and give back for generations to come.

We live, work and play here and invite you to stop and enjoy the view and make Maple Ridge your home too.

Meet the Team

Willow + Oak's sales manager, Janine Mackie has been in the new home industry for over 20 years – a career that took off following earning a journalism degree from Carleton University and finding a niche as a real estate writer in Vancouver. Her architecture, design and new home editorials have been featured in *Westernliving*, *Vancouver Sun*, *Taste of Life*, *Condo Guide* and *New Home Magazine*. She's a natural communicator and listens to each family and homebuyer, finding it rewarding to help others choose a home that meets their unique needs while building trusted relationships during the journey from contract signing to key turnover.

Her understanding of new home communities paired with her creative interactive flair has made selling homes a natural fit. After studying real estate trading at UBC Sauder School of Business, she joined the team in 2016 to promote and successfully sell out 61 single-family homes at Bertrand Creek in Langley and from there joined the sales team at Fern Grove in Maple Ridge in 2018.

When she's not at Willow + Oak, you can find her on the water -- paddle boarding or kayaking, listening to CBC podcasts or on the trails trying to keep up with her three teenagers and husband -- all long-distance runners.

Janine looks forward to helping you find the home that's right for you. Whether you're a first-time buyer or seasoned real estate expert yourself – Janine can't wait to introduce you to Willow + Oak – an authentic Maple Ridge community. A place of your own. A place to set down roots and grow.
