Start a new tradition

TIMELESS ARCHITECTURE

Designed by renowned architect Taizo Yamamoto, Allwood Place is a mix of Craftsman- and Georgian-style townhomes. Steeply pitched roofs and large front porches, as well as wooden window shutters and planter boxes, are just a few of the character details that lend these contemporary homes a classic feel.

Additionally, every Allwood home features a dedicated garage for easy storage and a private front or backyard for gardening and entertaining.

LIVING AT ALLWOOD PLACE MEANS MORE TIME TO CONNECT WITH YOUR FAMILY, BUILD YOUR OWN TRADITIONS AND DO THE THINGS YOU LOVE.
