## Neighbourhood

Enjoy life enriched by amenities, security, and natural serenity. Dundarave Village is quaint and charming, complete with artisan shops, local grocers, and everyday necessities. But here, Mother Nature is the star. The magic of the mountains and the spirit of the ocean support a lifestyle grounded in wellness. A beach-side home in the heart of the community, anchored in comfort and ease.

## About Us

SUSTAINABLE DESIGN WITH YOUR EARTH & HEALTH IN MIND. TRANSFORMING SPACES. TRANSFORMING LIVES.

CREATIVE. MODERN. SMART.

At Hollyburn, we understand that your home is a place for rest and retreat. As a family company with roots in West Vancouver since 1975, we respect the community's connection to culture. Hollyburn Gardens echoes these values by providing safe and secure homes where residents can live free from worry.

Our business is not only driven by a strong set of standards, but also by doing what's best for the communities, the people, and the environments in which we operate. Because of this commitment, it is Hollyburn's mission to raise the standard of our property management practices to the benefit of our residents, our employees and the property management industry in Canada.
