

EXPAND YOUR HORIZONS TO

INFINITY

Infinity

With a visionary approach for building vibrant communities, Dimex Group has developed a wide variety of residential, commercial and multi-family homes. With ever increasing attention to detail, efficiency and streamlined procedures, Dimex Group has been able to specialize in a wider scope of Real Estate Development, Marketing, Management and Construction.

Successfully harnessing prime opportunities and transforming them into tangible realities is how Dimex Group has become one of the most progressive Real Estate development firms in Metro Vancouver. What makes this approach unique is a deep understanding of the changing urban landscape and innovative ways to pioneer a new standard of life.

Located in Burnaby's most vibrant Metrotown neighbourhood, INFINITY will rise and transform a community to a new standard of living. INFINITY sets out to expand horizons by redefining design, function and accessibility with a refreshing approach. INFINITY is the next step for new home buyers looking to build a life without compromise.

Three dedicated Electric Vehicles and conveniently located Skytrain stations provide future residents with viable transportation options while enhancing the sustainability of their surroundings.
