VISION | EXECUTIVE GROUP DEVELOPMENT

Established in 1984, Executive Group Development has been developing, constructing and managing quality real estate projects which stand the test of time across North America. Celebrating four decades of success and experience in residential and commercial construction, the Executive Group understands and delivers the contemporary demands of what defines comfort, luxury, functionality and longevity.

With over 4000 single family and condominium residential homes and luxury hotel units developed in the portfolio, Executive Group focuses on creating a premium experience for the end user of its product. Exceptional workmanship, progressive designs, quality materials and customer satisfaction is what to expect from the Executive Group of Companies.

Recent landmark Greater Vancouver projects include the 486 home Residences at West 3 tower development in False Creek Vancouver including over 43,000 sq ft of upscale retail in the heart of Olympic Village and the recent opening of the 200 room luxury EXchange Hotel Vancouver, a LEED Platinum historic redevelopment of the Vancouver Stock Exchange tower in downtown Vancouver.

Each new real estate endeavor by Executive Group aims to be a dynamic, visionary and exceptional experience with the end-user as their primary inspiration. At WEST COAST ESTATES – expect the same pride, expertise and focus to go into creating what will become Tsawwassen's premier housing community.
