CITYHOMES

It's just better together

Let's stay connected! We are here for you, whether you're looking to book a private appointment to view our PC, or would prefer a personal tour via FaceTime or Zoom with one of our Sales Managers, we've got you covered.

Want a sneak peek first? Head to our blog for a [tour of our display home and presentation centre](#) or pop over to our [Instagram Highlights](#) for tours with Kerri Zanussi.

Duet Cityhomes is a boutique collection of 60 garden and two-story townhomes complete with Adera's signature rooftop lanais. Built using SmartWood™ technology, Duet Cityhomes are beautiful, strong and sustainable. Located in the blossoming area of Coquitlam, floorplans optimize living space offering light-filled interiors paired with west coast modern design. Make your home unique with our iD By Me home customization program.
