DEVELOPER

MAPLE LEAF HOMES LTD

Since 1992, our team has been building residential homes and commercial developments across the Lower Mainland. We hold Delta Gardens close to our heart as many of our team members are Delta locals themselves. Our homes reflect that. We offer a high standard of living by providing value with respect to design, functionality, and craftsmanship. Our past projects include multi-family condominium buildings and townhomes, as well as commercial and retail spaces.
