Neighbourhood

It's the people who make this place so amazing.

Explore, play & adventure out into the wild.

Neighbourhood kids play by the pier as the parents head out for a paddle with friends. Then it's a beer and a bite at one of our favourite local breweries – which is owned and run by friends, too.

This is Port Moody. City of the Arts. Home of Rocky Point Park.

Enjoy a coveted lifestyle.

Great shops, pubs, eateries. Amazing hiking trails just outside your door. Excellent schools the kids can walk to. Real community. And a train to downtown, whenever we feel like it.

Though most of the time, we'd rather stay here.

Port Moody has it all.

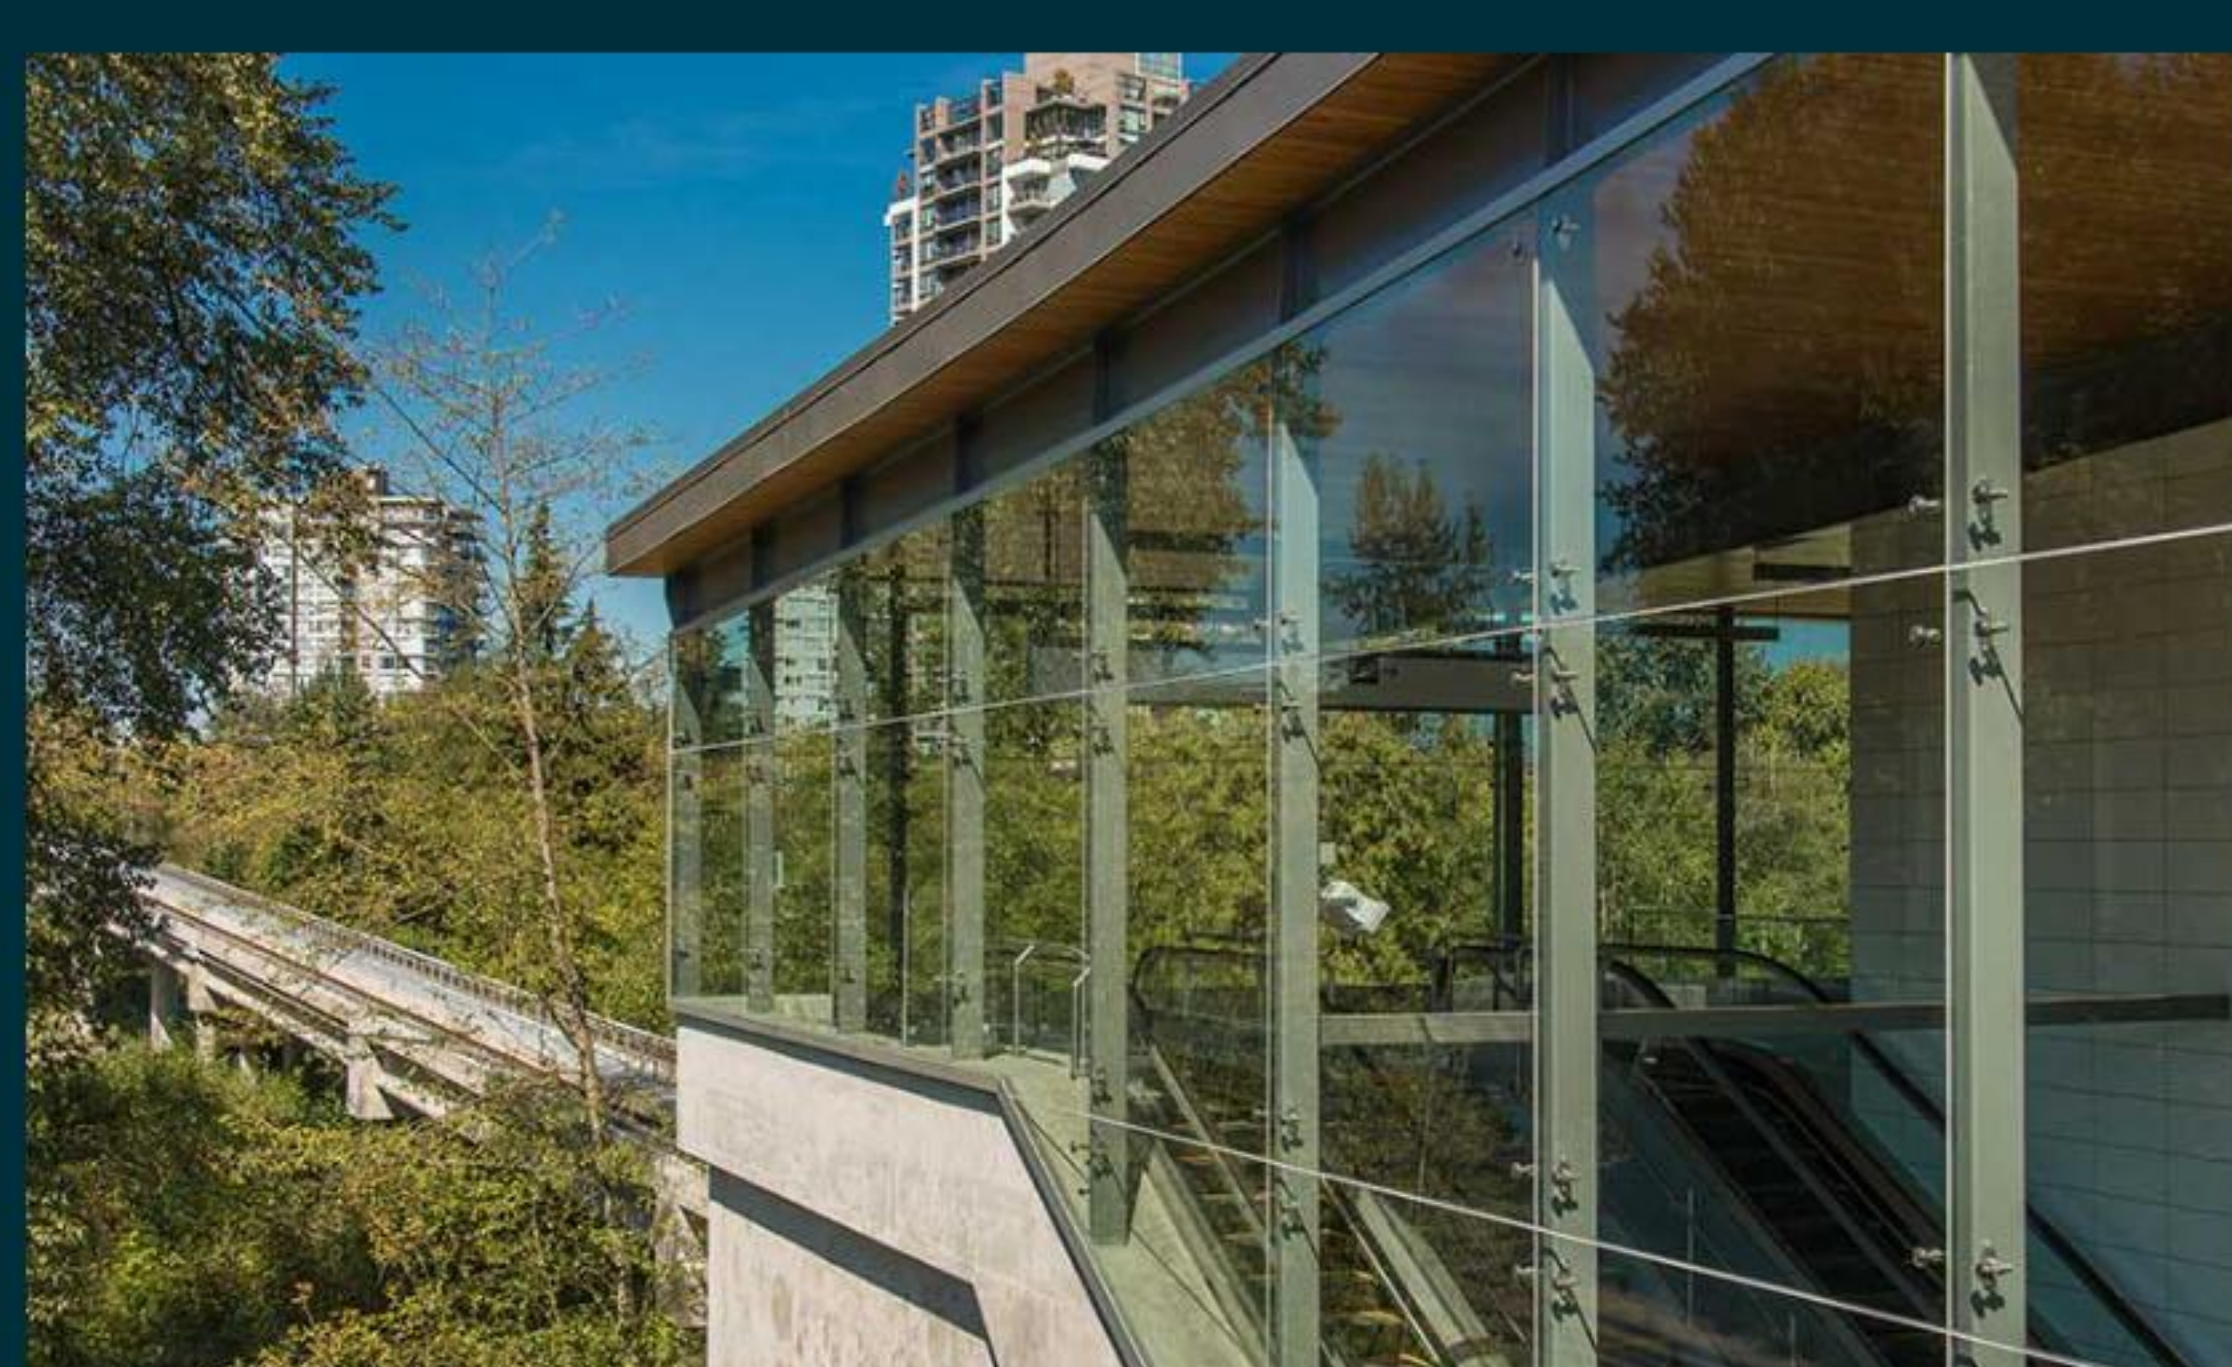

Explore, play or head out into the wild.

Only 25 minutes to downtown.

Be a part of of a true community.
