

Stand apart in Brentwood

WELCOME BACK!

Our award winning presentation centre is now open daily from 12pm to 5pm except Thursdays and Fridays. While we always maintain proper hygiene and cleaning procedures, we have taken additional precautionary measures to ensure that we are providing a safe and pleasant experience for everyone walking through our doors. Please familiarize yourself with our Presentation Centre Health and Safety Procedures [here](#) prior to visiting Akimbo.

Distinctive Design

Akimbo's bold exterior will define the Brentwood skyline. The 40-storey project's architectural definition is marked by its angled, offset balconies that wrap the height of the building, providing both sun shade and unobstructed views.

South face of Akimbo tower

This is a true trophy building. Designed to blur the lines between sculpture and structure.

Creating History

For the first time ever, an architectural landmark building designed to the world-class level of the most iconic buildings in Downtown Vancouver, comes to Brentwood.

Enjoy an incomparable West Coast view from the comfort of your own home.

↓ FEATURE SHEET

All homes offer overheight 9-foot ceilings and individually controlled air-conditioning and heating for year-round climate control.

Living

Akimbo's confident design extends from the outside in. Floor-to-ceiling windows flood your home with light while expanding your living space to the outdoors.

Kitchen

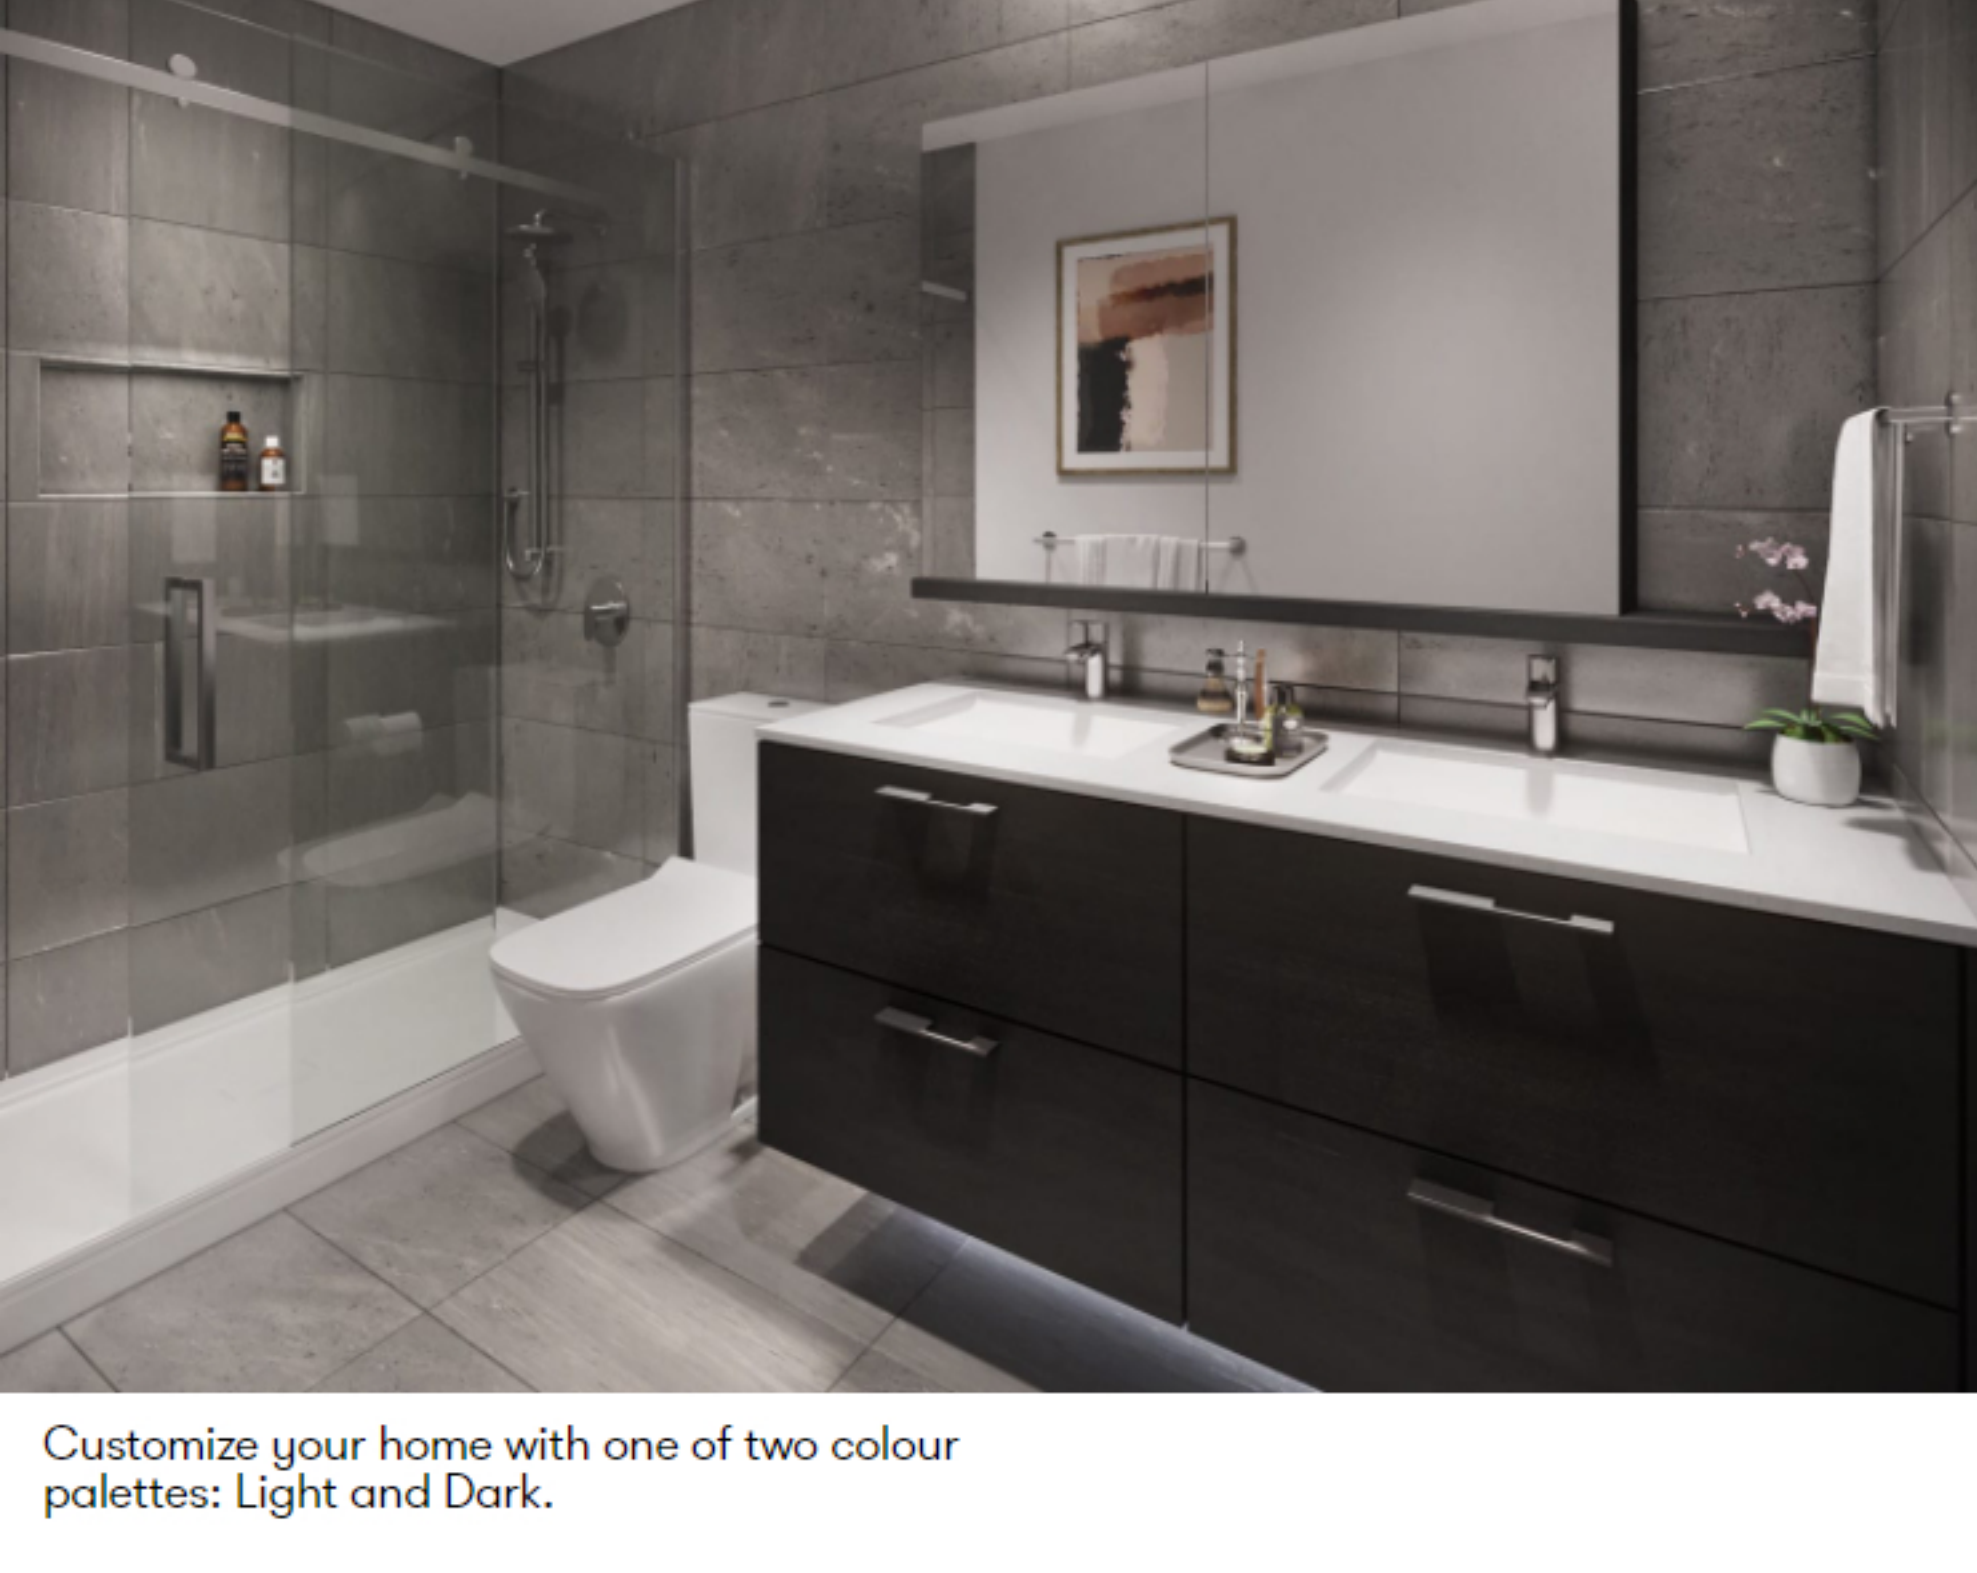

Life happens in the kitchen. That's why every kitchen at Akimbo is state-of-the-art and designed to endure, with quartz countertops and integrated stainless steel appliances.

Akimbo defines quality with European kitchen cabinet doors.

Spa-like Bathrooms

Relax in your soaker-style bathtub while admiring the sleek, modern look of your new bathroom. Balancing durable materials with luxury extras.

Customize your home with one of two colour palettes: Light and Dark.

Elevated Amenities

Set your expectations high. Akimbo pairs the elevated features of a boutique hotel with the comforts of home—so you can enjoy elevated amenities every day.

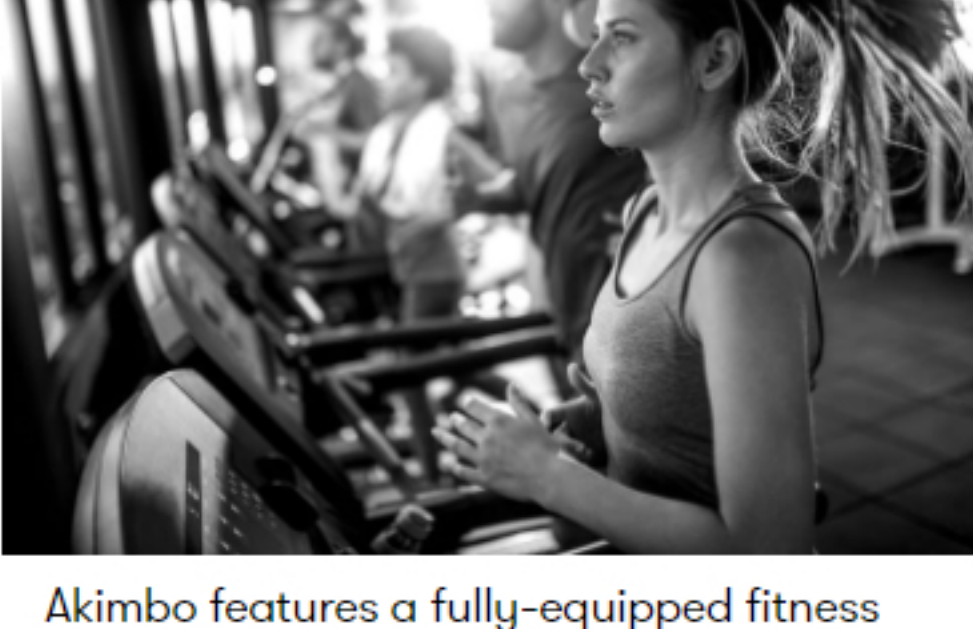

Complete indoor recreation room with kitchen, dining table, sleek lounge, and TV area.

Outdoor podium courtyard includes BBO and dining area with several sitting areas, open lawn, garden plots and children's play area.

Lobby & 24 hr Concierge

Come and go in style with conveniences like a dedicated concierge, car share program, secure and gated underground parkade, secure bike storage rooms, bike repair room, car wash stations, and electric vehicle stalls.

Akimbo features a fully-equipped fitness centre for a healthy lifestyle.

Just like you, Akimbo is more than meets the eye.

Current Project: The Windsor, Vancouver

IMANI Development Inc.

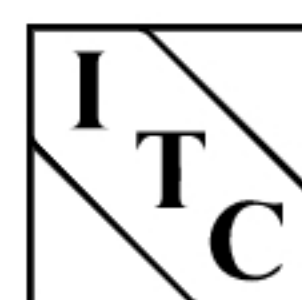

With more than thirty years of construction and development experience, Imani’s team has been involved in developing some of the most iconic buildings in the lower mainland—big, complex, city-defining projects. Today, Imani applies that understanding to new collections of homes across Metro Vancouver—design-focused homes, built for the people who will invest in and live in our city for the long term.

[Website](#)

A winning combination of experience and assertiveness—Akimbo was designed by the best.

ITC Construction Group

ITC Construction Group is a reputable industry leader in the construction of concrete residential high-rise developments. In 34 years, ITC has built over 185 towers consisting of 22,000 homes through 3 regional offices in Vancouver, Calgary and Edmonton. Their experienced team works with developers from the design phase right through to the completion of construction.

Architecture by IBI Group

IBI Group is a globally recognized architecture, planning, engineering, and technology firm, designing intelligent systems and sustainable buildings with a human touch. From high-rises to industrial buildings, they design every aspect of a truly integrated city for people to live, work, and play. At IBI, they are defining cities.

Interior Design by Area3

Area3 is an award-winning interior design firm that believes “design is better together”. They believe design is a collaborative effort and enjoy working with their clients and all parties involved to bring the team’s vision to life. They bring the skills of four talented and experienced principals to create innovative, modern designs that reflect an international sensibility. They work hard, they have fun and they design together.

Marketing & Sales by Key Marketing

Key Marketing is a full-service project marketing and sales firm that specializes in multi-family communities. Key has had the privilege of working with some of Western Canada’s top developers to acquire, envision, market and sell projects throughout the Lower Mainland, BC Interior, Calgary and Toronto. The result has been billions in sales and a proven track record of success and happy customers.
