

Park Residences II is the result of Yue Hwa's vision to develop vibrant communities at one-of-a-kind locations across the world. Building on the legacy of Park Residences I, Park Residences II has been designed by the best team in the industry to embody the epitome of healthy, green living.

Comprised of three graceful buildings directly adjacent to Minoru Park, Park Residences II is just steps away from Richmond Centre, the SkyTrain, and numerous shops and services, while also just minutes from YVR Airport and Vancouver.

We are pleased to present Park Residences II, the last opportunity to own a luxury parkside address in Downtown Richmond.

NEIGHBOURHOOD

A Convenient Richmond Lifestyle

Living in the heart of Richmond offers unlimited possibilities at Park Residences II. Everyday conveniences can be found across the street at Richmond Centre, while a variety of dining, shopping, and recreational experiences are in every direction. Not only do you live in a thriving urban environment, you can easily explore surrounding communities and amenities, with the SkyTrain's Canada Line only steps away. This along with accessibility to a network of main roads will connect you to YVR and Vancouver in less than 10 minutes or the US border in 30 minutes.

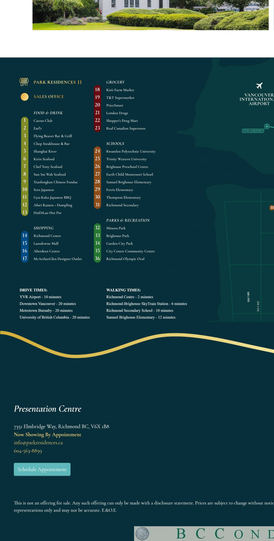

Your Beautiful Backyard

Nature is only steps from home at much-loved Minoru Park, where pathways, perfect for walking or jogging, weave around sparkling ponds and waterfalls. With a playground, tennis courts, a baseball diamond, cultural facilities, the brand new Minoru Centre for Active Living, and more within the park, your days will be filled with variety and beauty.
