JASPER

LUXURY IN EVERY DETAIL
4 BEDROOM FAMILY TOWNHOMES

COMING SOON!

Desired Boundary Park Location

Jasper is located in the quiet residential area of Boundary Park. This family friendly neighbourhood is near protected forests and greenspace, while also being walking distance to transit, schools, parks, shopping and essentials. Centrally located with quick access to Highway 10, 91 & 99, Vancouver Airport, Ferry Terminal and US Border.

These 4 bedroom family townhomes provide your family convenience with luxury in every detail.

Developed by Crescent Creek

With decades of expertise in the real estate industry, Crescent Creek Homes Inc. specializes in designing and building luxury homes with utmost care and precision. We pride ourselves in delivering every project with quality, excellence and dedication. Our values are reflected in all our developments that positively influence the well-being of people and communities at large.

We are recognized for our efficient planning, flawless implementation, timely completion and setting new lifestyle standards. Our focus has always been to bring out the best of architecture designs, amenities, locations, etc. and turning dreams into reality.

Interior Design by Sarah Gallop

SGDI has an extensive portfolio with experience working on projects large and small, with residential and commercial construction companies. The firm's unique designs span a vast range of styles and locations across Canada, USA, and Asia. SGDI's competence in executing the design enables us to keep our focus on ensuring that our customers have all the knowledge to start their project without regret, and finish with pride in their new, beautiful, and functional space. We understand the construction and design industry very well, and want to help you have an amazing experience designing your home.

Sarah Gallop, the founder of SGDI, prides herself on attention to detail. Since starting the firm in 2009, Sarah has proven her dedication to quality interior design and customer service. Featured in multiple industry magazines and winner of countless awards, the thing that truly keeps her going is her passion for educating people on what interior designers actually do.
