

WELCOME HOME TO NEW CEDAR CREEK LUXURY CONDOS IN SOUTH BURNABY

Inspired by the rugged and regal British Columbia cedar, our new condos bring contemporary west coast design to the heart of South Burnaby.

New luxury condos at Cedar Creek feature gorgeous wood-frame suites, high ceilings, and bright open concept living spaces. Additionally, new homes at our South Burnaby condo come with a spacious deck overlooking the lush landscaping and vibrant community.

Cedar Creek is more than a new condo building in South Burnaby. It's a fresh new community with all the amenities of a big city. It's a fresh start and a new beginning — no matter what stage of life you're at.

Conveniently located in the residential heart of South Burnaby's revitalized Edmonds neighbourhood, our new homes make active living easy. Cedar Creek is within walking distance to South Burnaby's abundant greenspace, boutique shops, entertainment, and modern recreational facilities. Metro Vancouver's state-of-the-art Sky Train is also nearby for quick trips in and out of South Burnaby.

Ranging in size from one bedroom and den to three bedrooms, our new luxury condos in South Burnaby will suit a variety of lifestyles. Whether your family is growing or getting smaller, everyone will enjoy a calm and carefree life at Cedar Creek. Sit back and relax. You're finally home.
