DESIGNED TO STUN

Bliss at Latimer is as stunning on the outside as it is inside. The homes are designed aesthetically in a modern and stylish way that is sure to make heads turn and invoke awe in all who set their eyes upon it.

STYLISH. MODERN. OPULENT.

The ensuite spaces are equipped with the best of all worlds. Luxuriously designed showers, and perfect lighting, come together to create a space that is nothing short of grandeur.

PRIVATE, PERSONAL, AND PLEASING.

The master bedroom, the grand space of the house, is defined by pure architectural aesthetic and luxurious details. The master bedroom is spacious and elegant and is the perfect space to rest and retire to after a long and busy day.
