DESIGN

Intentional decisions and quality materials, woven together in a timeless style.
Crafting a place you will be proud to call home.

Madewell is an inspired collection of 2-4 bedroom townhomes—thoughtfully designed with farmhouse modern interiors and located in Yorkson, Langley's most desirable community.

The Gatehouse difference is one you can see and feel.

We think of every home as a custom home. From the finishes in your closet to the statement in your kitchen, each aspect is intentionally crafted. We believe the difference is in the details—and we take pride in designing considered spaces that put a premium on livability. That's the Gatehouse promise.
