Seaside Club

Ready for you from the day you move in. It's the gathering place for friends and family, and where you'll spend the better part of your days soaking up the summer sun. It's the heart of the community, with an outdoor pool, fitness centre, great room, kids' play area and plenty more.

There's So Much to Love Here

The Great Room at Seaside may be one of our favourites. A really big table can be used to host parties and share a family-style meal. There's also a kitchen-bar off to the side that can accommodate the best of dinner spreads. If quieter moments are preferred, take a break in the lounge and cuddle up with a favourite book.

Most importantly, it's exclusive to Seaside residents.

Tsawwassen

Seaside is Tsawwassen and everyone loves Tsawwassen. More sun. The beach. An incredible new destination shopping experience just down the street. There's a lot new happening here, with much more to come.
