ROOM TO LIVE WELL

The open concept floorplans maximize space and natural light, incorporating a practical yet stylish approach to family living and entertaining over three levels. Unconfined, creative layouts and sleek, yet warm design elements, carefully selected finishes and innovative features provide a balanced sense of space, functionality and personal comfort: Three-and-a-half bathrooms, including spa-like en-suites with free-standing bathtubs off the spacious master bedrooms, grand 10-foot main living area and master bedroom ceilings, social kitchens, generous living/dining areas, full family rooms, patios and decks that bring the outdoors in, home offices and fireplaces...just a few of the many reasons you'll feel at home at Canyon North.

DOWNLOAD FEATURES

Ranging in size from 2,130 to 2,218 square feet, the homes at Canyon North have been thoughtfully designed, inspired by the natural surroundings of the Capilano River and North Shore mountains.

DESIGNED TO ENTERTAIN

Gourmet kitchens include oversized islands — great for food preparation, daily family meals and social gatherings. Large dining areas in an open plan lead into large living areas, perfectly inviting for everything from intimate cocktail parties to holiday dinners. The lower level family room is ideal for lively game nights or relaxing while watching TV.

SPACE & PLACE FOR EVERYTHING

You have all the space you want and need. Storage has been maximized throughout — from ceiling height kitchen cabinets to the master bedroom walk-in closets to large two-car garages with ample room for tools and everyone's toys. There's even a nook area in the kitchen that can be re-imagined into an extra work or study from home space, while the family room, with its adjacent full bathroom, can be converted into another bedroom, guest room, a hobby centre, or office to suit your current and future lifestyle needs. You'll enjoy the convenience of an upstairs laundry room with side-by-side washer and dryer, sink and storage shelves.
