Live Your Best Life Right at The Lake

One of Greater Victoria's largest regional parks, Thetis Lake Park offers over 40km of trails, including a 5km loop trail around the lake, paddle craft launch sites, a swimming beach, and a dog beach.

The trails are clearly marked with picnic areas along the way. Go for a hike on the scenic trails hugging Upper and Lower Thetis lakes. For panoramic views of the lakes and surrounding hills, follow the more challenging trails up Seymour or Scafe Hills. In spring, wildflowers dot the hillsides.

The beach area of Thetis Lake is perfect for a family picnic or a refreshing swim. If you have a canoe, try an early morning paddle and you may even have the lake all to yourself.
