Where West Vancouver Opens to the Sky

A limited collection of ten West Coast Modern residences.

Clinging to the contours of a forested mountainside, a limited collection of ten residences designed by Battersby Howat crowns West Vancouver. Poetic views stretch from a towering metropolis in the east to that point where the sun slips into the ocean in the west. These West Coast Modern 3 to 4-bedroom homes beautifully connect the natural surroundings with the shifting planes of the architecture and curated interior design.
