## 12 Exquisitely Designed Townhouses

235 Taylor home is a new neighbor coming to Taylor Road Community with 12 exquisitely designed townhouses. Residing in this quiet central city community, you will enjoy the convenience of a community lifestyle within the close range of school, large retail stores, services, restaurants, entertainment, and public transportation.

Notably, with the rapid expansion of population, prospering commercial evolution, and vigorous expansion of UBC Okanagan, Kelowna has been one of the best places for people to immigrate or invest.

Inspired by the rich legacy of the urban core, Taylor Home is where heritage meets home.
