An Escape Within The City

Oasis at Concord Brentwood is the second phase of the exciting new master-planned community of Concord Brentwood. Nestled in the heart of vibrant Brentwood lies a hidden Oasis defined by its resort-inspired amenities while maintaining a close proximity to desirable shops, parks, transit & more. Mere steps away from Brentwood Town Centre and multiple transit options, Oasis at Concord Brentwood blends urban convenience with the tranquillity of paradise.

Paradise Designed For You

In the midst of bustling Brentwood, be transported to your very own unique sunbathing beach inspired by the most revered, secluded cenotes around the world. Be immersed in our resort-inspired amenities and uplifting atmosphere where residents can experience relaxed ease and an island getaway without having to leave home.

Recharge at Club Oasis

Club Oasis is a unique recreational experience that provides the relaxing feel of an island resort within the comfort of your own home. With over 30,000 sq. ft. of amenities, this exclusive destination offers Concord Brentwood residents everything they need for a full day's vacation. Featuring an indoor pool complete with an outdoor sunbathing beach, multi-purpose gym, full squash court, two-lane bowling alley, and a state-of-the-art spin studio for a varied fitness experience.

Integrated Smart Living For A Future-Proof Design

Concord BioSpace is a multi-layered system that creates cleaner and safer indoor spaces through improved airflow and contact management in high-traffic areas. Access to major entry points and high-traffic shared areas including elevators can be controlled through your mobile phone while amenity areas will be serviced with high-speed Wi-Fi. Designed with the future in mind, this forward-looking series of technological enhancements and features makes for healthy, holistic living at every turn.
