A BLEND OF FUNCTIONAL AND TIMELESS DESIGN

With a balance between comfort and the convenience of modern interior design, each unit at Mara contains spacious 9' ceilings which offer breathable, open, and bright interiors.

All units are equipped with state of the art appliances and contain full size washers and dryers, Mini Split air conditioners, and versatile cabinetry

for optimizing your storage space.

The functional foyer cabinet allows for optimal storage, and a clutter free entrance. The sleek recessed LED lighting illuminates the kitchen, with oak waterproof laminate flooring.

BATHROOM

Your morning routine is made easy.

Bathrooms contain full-sized vanity mirrors with overhead designer lights, and an undermount sink embedded in a quartz countertop. Stone-tile flooring

offers grip safety and style, leading out from the spacious stand-up rain shower. Matte black plumbing fixtures ensure watertight drainage from the modern one-piece toilets in each unit.

KITCHEN AND APPLIANCES

Open interiors with modern furnishings.

Kitchen storage includes gray cabinets with easy-to-access handleless cupboards which are complimented with wood-toned accents and a smooth matte finish. Durability integrated kitchens are finished with high-quality quartz countertops.

All water systems within your unit

consist of matt-black plumbing fixtures.
