NEW MODERN HOMES
in River District.

If your wishlist includes a Vancouver address, a walkable lifestyle, and extensive private amenities inside your own building, MODE will definitely feel like home.

Welcome to the complete, comfortable residence you've been dreaming about.

INTERIORS DESIGNED
for how you really live.

Walk through a home as welcoming and well-planned as the neighbourhood itself. Sunlight brightens every room. Open plans and functional kitchens create space for everyone.

AMENITIES
worth staying home for.

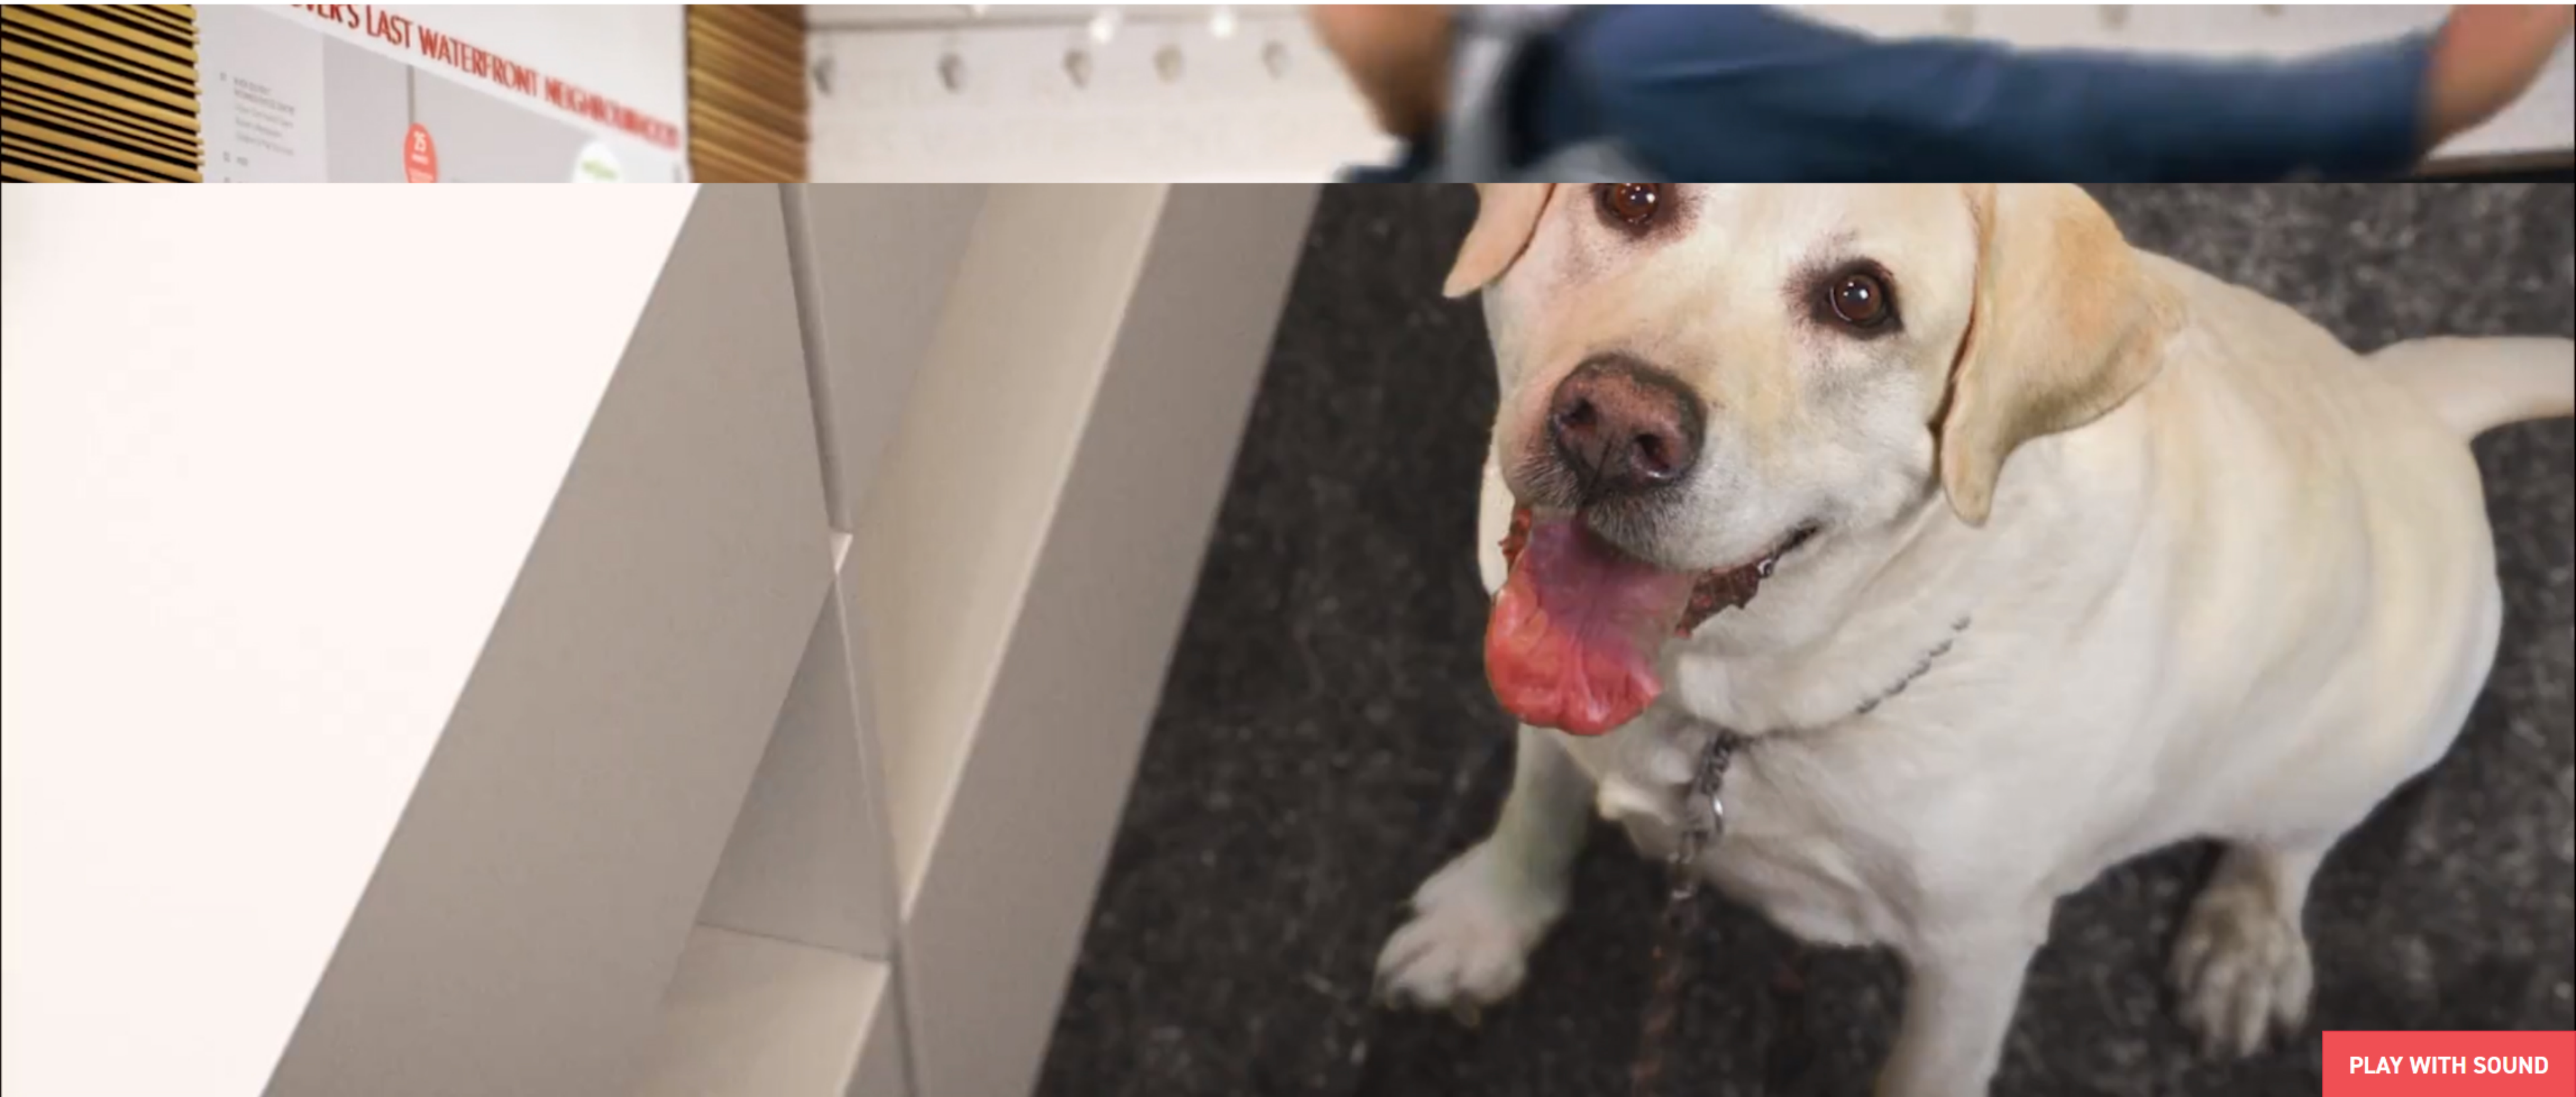

MODE has everyday conveniences you'll never want to live without - like bike storage, guest suites, a dog wash station and daytime concierge to sign for your packages. What's more, MODE's resort-like spaces will take your downtime up a level.

MODE MEANS NEVER
compromising your style.

Beyond being stacked with amenities, MODE also offers shopping, dining and professional services at your doorstep. Need groceries? Go into Save-On-Foods mode. Craving a coffee? Hop into Starbucks mode. Want wine? Pop into Everything Wine mode. Shopping will be a breeze when you move into your beautiful home at the edge of Town Centre.

Moving into MODE also means getting everything River District has to offer. Daycares, parks, playgrounds and sports fields, a school and a community centre are throughout your new neighbourhood along the Fraser River. And, you'll never be far from downtown or YVR.

WE'RE HERE TO HELP.
