

ELEMENTS

Elements Main Living Area

- Efficient energy recovery ventilator (ERV) and air source VRF system bring year-round comfort
- Customize your home with two visually pleasing designer colour schemes
- Both the Oak (light) palette and the Walnut (dark) palette draw on the rich tones of the tower's exterior to evoke a timeless, natural elegance
- Recessed LED pot lights for seamless illumination
- Sleek roller shades on double- or triple-glazed windows
- Premium wide-plank laminate flooring in living areas and rooms
- Over-height ceilings and expansive windows frame views and draw in light for airy living spaces
- Energy efficient, front-loading LG washer & dryer
- USB charging port conveniently located in all living spaces
- Extra shelving for maximizing storage
- Private expansive balconies present spectacular views

Elements Kitchens

- Integrated Bosch and Fulgor Milano appliances bring the design and quality of the long-beloved Italian brand into a modern kitchen
- Custom crafted European-style, aluminium-framed cabinetry with tempered glass in dual tones with distinctive lacquer
- Soft-closing doors and drawers with nested internal organizers
- Contemporary stainless steel undermount sink
- Faucet with hand spray
