

Incredible views, endless conveniences that elevate your everyday and features that embody a better way to live - Altus is unquestionably an urban resort, giving you a life where taking the kids to school feels just as natural as spending the day on the beach or watching the sunset from a waterfront bistro.

ALTUS STREET VIEW

Altus' collection of residences has been created to give you everything you need, and ever wanted in a home. Along with the expected spacious floorplans and contemporary finishes, the homes at Altus go a step further, ensuring that your life in White Rock will always be as rewarding as the panoramic views.

LOCATION

Wrapped by Semiahmoo and Boundary Bay, this part of the world is famous for its ocean views – but that is only part of the story. Step back, walk up the hill and take a look around, and the views expand to include the whole of the Lower Mainland.

RESIDENCES

Step inside any Altus home and you'll immediately notice something a little different. Along with the well-appointed fixtures and rich finishes you want and expect, there's one thing you might not immediately see - but you won't be able to live without in the years to come.
