**Affordable Burnaby Real Estate at Toscana
Apartments Now Available! Bestbuy Presents
Toscana Burnaby Condos for Sale With Home
Warranty and Customize**

THE NEW BURNABY TOSCANA APARTMENTS NOW SELLING!

A new and affordable Burnaby real estate development is making its way to the hot market. The Bestbuy Development Toscana Burnaby apartments for sale are now launching with affordable suites that provide spacious floorplans, outdoor living spaces and a great location. Bestbuy Development's first project, these new and exciting Burnaby apartments called Toscana Condos provide affordable urban

living spaces for new homebuyers and those who want to be central to services and amenities. With a great number of floor plans available in addition to attention to detail and great interior highlights, the Toscana Burnaby apartments for sale are well built and finished. Registration online is now available through VMG Project Marketing and you can also contact them through an online form. The points of contact and sales team at the pre-construction Burnaby real estate development by Bestbuy includes John and Fred. Some of the great features for this new project are the number of choices that are presented to every homebuyer. From white to stainless steel appliances and from dark or light colour palettes, new homebuyers are able to choose and customize their suites according to their preference and lifestyles. Quality and value are two key words to describe the new Burnaby Toscana apartments, so register today and receive the latest news and sales launch updates coming soon.

THE TOSCANA BURNABY APARTMENT FLOOR PLANS LAUNCHED

As mentioned above, new Burnaby homebuyers have a lot of choice when it comes to selecting a Toscana apartment for sale. From the carpets to interior finishes and from counter tops to hardwood

flooring, there are so many standard features that homebuyers have a choice of, it's not even thinkable. In addition to appliance selection, you can also choose different floor plans while looking for your new Burnaby home. The ground floor of this residential and mixed use building is commercial space, but the top three floors are all condominium homes. The penthouse floor features 13 amazing suites. From studios to three bedroom floorplans, the new Toscana Burnaby apartment development will provide a great selection of layouts that can fit any lifestyle and age group. The studio homes are around four hundred square feet and have one bathroom and very open living/kitchen space. The one bedroom suites at the pre-construction Burnaby Toscana apartment condos are between six hundred and four to 616 sq ft. The studios and one bedroom condominiums are located on one side of the building and there are 7 of these units on the penthouse level. On the other side of the Toscana Burnaby apartment building are the more spacious floor plans that include junior 2 bedroom, two bed and three bedroom

layouts. These range from 631 to 982 square feet in size, some with 2 or more bathrooms as well. The third floor (one level down) has a very similar floorplate. The second floor of the residential Burnaby real estate development at Toscana Condos features fewer suites because that is where the condominium Amenity Space is. Complete with catering kitchen and a bathroom, you can host various events or parties here. There is also 1 commercial space available on the second floor of this building. Again, the pre-construction Burnaby Toscana condo development is the first of its kind by Bestbuy Developers and provides affordable condominiums to first time homebuyers. For more information, talk to a sales representative at VMG Project Marketing today for available floorplans, pricing, features list and amenity listing.
