

An aerial photograph of a mountainous landscape. In the background, a range of jagged, snow-capped mountains rises above a valley. A large, calm lake is nestled in the valley. The foreground is dominated by a dense forest of evergreen trees. In the middle ground, a cluster of white, rectangular building footprints is visible, labeled 'FUTURE BURKE MOUNTAIN VILLAGE'. Below this, a larger, more developed area with many small, brown-roofed houses is labeled 'FORESTER TWO'. Further down, another area with similar houses is labeled 'FORESTER ONE'. White lines with circular endpoints connect the text labels to their respective locations in the image.
