A Nexus for the Neighbourhood

INTRODUCING SOUTH YARDS

Anthem has been instrumental in building the Burnaby we see today. Following the success of Station Square in Metrotown, South Yards raises the bar for complete, community-centric living. An 8-acre, master-planned community of sophisticated tower residences with outstanding amenities and a vibrant mix of commercial and retail surrounding a lush, 1-acre park at its core. Located just one block south of Brentwood Town Centre Station and Lougheed Highway, South Yards will be an integral addition to the most exciting new location in Metro Vancouver.

An Urban Park Address

South Yards walks to its own laid-back beat, offering a central park vibe that brings an invitingly soft contrast to the surrounding hard streetscape. Terraced steps for people-watching, a great lawn and a playground make this an inviting neighbourhood park.

A ground-floor commercial mix of retail, cafés and eateries, services and conveniences, provides everything a community needs, right on your doorstep.

Whimsical Visitors

WILD COMMUNITY LANDMARKS

The two silver, larger-than-life public art giraffes watching over the southwest corner were created by Canadian artist Maskull Lasserre. Titled *The Visitors*, the sculptures are approachable and playful, yet timeless and elegant landmarks that perfectly embody the essence of South Yards.

Anthem In Burnaby

The geographical centre of Metro Vancouver, and the third-largest city in BC, Burnaby is a well-connected, popular place to live, work, study and play. Burnaby has evolved from a rural suburb to a prolific urban centre that is socially, economically and culturally diverse. Integrated with high-tech research, business parks, shopping centres and highly recognized post-secondary institutions, Burnaby attracts people locally and globally through its commitment to growing stronger, more livable and sustainable places for residents to enjoy, emphasized by strategic planning and community development.

Mirroring Burnaby's journey of growth, Anthem's dedication to the city's development has spanned over 20 years and is a foundational source of pride. Anthem's investment, development and management portfolio in Burnaby includes almost 900,000 square feet of commercial real estate, and over 6,300 homes that are complete, under construction or in development.

With decades of real estate development experience, every Anthem community is an evolution of the last, anchored by a steadfast vision to create great space and vibrant, synergistic communities for all its intended users: homeowners, tenants, retailers and the broader

community. We are driven by a tireless effort to deliver on our promises and to build quality homes designed to maximize livability. Like the city of Burnaby, we are constantly improving and innovating the way things are done.

Building on the legacy and success of Station Square, Anthem will continue to pursue high-density community developments in Burnaby's transit-oriented hubs, like Metrotown and Brentwood. Whether residential or commercial, placing a deliberate focus on developing communities unified by landscaping, connecting pathways, bike lanes, public art and architecture, adding value to the experience of every user group for the entire life cycle of the development.

To further reinforce the vision of our communities and the company mission, Anthem looks at each municipality as a partner, supporting initiatives that give back to the city's residents. In alignment with Anthem's Giving strategy, we seek to strengthen the communities we build in and assist those in need to reach their full potential. Anthem proudly honours Burnaby's dynamic evolution, community and legacy.

Founded in 1991, Anthem is a team of 500 people driven by creativity, passion and direct communication. Anthem has invested in, developed or managed – alone or in partnership – more than 320 residential, commercial and retail projects across western North America.

Our growing residential portfolio includes 20,500 homes that are complete, in design or under construction, from master-planned mixed-use residential and multi-family, to townhome, rental and single-family communities.

We own, co-own, manage or have previously owned over 9 million square feet of retail, industrial and office space. We have developed more than 60 communities across 8,500 acres of land in Alberta, British Columbia and California.

Anthem is a real estate development, investment and management company that strives, solves and evolves to create better spaces and stronger communities.

We are Growing Places.
