Level 3 Amenity Floor

Explore Level 3

Meridian's beating heart is its full-floor amenity suite. Prepare meals in a fully-equipped chef's kitchen and dedicated dining area. Equipped for focused work or collaboration, the co-work station fosters the flexible future of work. And there's even a bookable guest suite to give visitors a room of their own.

The full-service fitness centre is outfitted with state-of-the-art equipment for cardio and strength, while the yoga studio encourages you to sweat it out or achieve zen through breathwork, stretching, barre, and meditation.

Atop the Level 3 outdoor podium is a courtyard complemented by lounge seating and firepits, and a custom wood table to gather for al fresco meals or sunset cocktails with friends. A custom-designed bouldering rock is perfect for fitness or play, and the dog run is the perfect place to get fresh air with your furry friend.

Level 37 Sky Lounge

Explore Level 37

Perched above it all is Meridian's 37th floor Sky Lounge; this double-height space perfectly frames dramatic 360-degree views of Metro Vancouver, and offers the perfect escape. Unwind under the canopy of the feature citrus tree or gather your friends for a lively game of pool. With indoor and outdoor spaces to enjoy, you'll feel a world away from the pressures of the day-to-day.
