

Serenity and Easy Elegance At Home

- Alluring minimalist architecture by Yamamoto Architecture
- Quiet and established, single-family home community balanced by the vibrancy of neighbouring future master-planned communities
- Convenient street or courtyard access for every home
- Secure individual parkade access to each home
- Thoughtful landscaping and lush courtyard surrounds Enzo in nature
- Central courtyard provides space for relaxation and connecting with neighbours
- Spacious patios with all homes extend your living space
- Select homes have rooftop patios for entertaining al fresco

Everything You Need in Evolving South Cambie

- An oasis in the centre of growing South Cambie: across the street from Cambie Gardens, Langara Gardens, and 45 acres of future master-planned residential and commercial space
- Conveniently located across from a future 2.5 acre master-planned park, a 1 acre urban farm, and Langara Golf Course
- Easy access to abundant outdoor recreation including Langara Trail, Winona Park, and Oak Park Tennis Courts
- Coveted school options from K-12 within walking distance including Sir Wilfrid Laurier Elementary and Sir Winston Churchill Secondary. Langara College is walking/biking distance and UBC is quickly reached by active transportation
- Steps to the future 57th Cambie Street Station on the Canada Line for connectivity around Vancouver and surrounding communities
- Close to the soon-to-be revamped Marpole-Oakridge Community Centre with swimming, fitness, a childcare centre, and activity rooms
