

SOTO^{ON} W28

PENTHOUSE FEATURES

TUCKED INTO VANCOUVER'S WEST SIDE GARDEN DISTRICT

- A quiet Japanese aesthetic harmonizes with modern West Coast living to create an intimate collection of eight 3 bedroom penthouses in Vancouver's coveted West Side Garden District
- Understated approach to architecture by Yamamoto Architecture is both comforting and modern, with a warm colour palette, textured details, and clean lines
- Meticulous landscaping throughout shapes a serene, shared courtyard and stunning private gardens — from courtyard patios to rooftop terraces
- 54' wide homes fill spaces with natural light and offer greater connection to the outdoors
- Convenient private storage adjacent to parking
 - Upgrade storage options include power, ventilation, racks for bikes / kayaks, and enhanced finishes

- Private secure double car (side by side) garages with remote overhead door
 - All parking stalls pre-wired for stage 2 electric vehicle charging
 - Direct charging available
- Elevator mudroom – fully insulated and heated space for daily convenience

YOUR INTIMATE OUTDOORS

- Spacious yet intimate outdoor spaces, with a statement bonsai-inspired fir tree for every home
- Two serene rooftop decks, including a dining deck with Downtown Vancouver and mountain views (fits sectional lounge, dining table for 6 and hot tub for 8)
- Floor-to-ceiling, stacking glass doors seamlessly connect the indoors with the lush outdoors
- Porcelain tiles smoothly expand your indoor living experience into the outdoors, making your home feel larger

JAPANESE-MODERN INTERIORS

- Soaring ceiling heights of up to 9'6" in main living areas
- Japanese-inspired cabinetry reaches up to 9'6" in height and 30' in length from the kitchen to the living room (upgrade only)
- Millwork and appliance upgrade available upon request
- Engineered-wood flooring flows throughout
- Solid-core doors and modern, energy-efficient windows throughout
- Thoughtfully placed, energy-efficient LED lighting
- Expansive bay windows included in bedrooms brings natural light in, perfect for indoor lounging

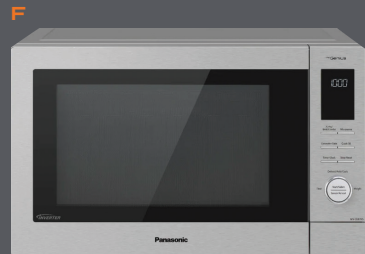

- Family-sized, front-loading, Energy Star-certified LG washer and dryer
- LG steam closet refreshes, deodorizes, and sanitizes, and create a healthier home by reducing allergens

Gaggenau and premium appliances at Soto.

Being in the upper echelons of professional appliances, it's no surprise that Gaggenau is featured at Soto. The durability, quality, and sleek design of these German appliances align with the precision and timelessness of homes. Concoct exquisite meals in a streamlined speed oven, keep produce crisp for longer in an innovative refrigerator, and house your favourite bottles in a spacious wine fridge. Feel like a gourmand in these thoughtfully designed kitchens.

ABUNDANT SPACE FOR YOUR
HOBBIES, COLLECTIONS,
AND EVERYDAY ACTIVITIES

Thoughtfully integrated storage rooms are a blank canvas that you can customize to fit your lifestyle. Each space is tiled with porcelain flooring, and features power, full insulation, and heating. The possibilities are endless — imagine a fitness, music, wine, hobby, or equipment room right at home.

A laundry enclave also offers an abundance of functional space, with a family-sized washer and dryer, versatile shelving, cabinetry, and a workspace hidden within. Home is both beautiful and efficient.
