NEIGHBOURHOOD

A storied community tapestry.

There's an endearing quality to life in Ladner Village. Set on the picturesque Fraser River, the vibrant and walkable community began as a quaint fishing village — and has retained its historic charm for over 100 years. Today, this heritage is complemented by modern boutiques, restaurants, and cafés.

DESIGN

The crossroads of yesterday and today.

Bridge & Elliott by Headwater uniquely emerges in the midst of this charm, intersecting contemporary design with a classic community. The collection of studio, one, two, and three bedroom homes channels a fresh perspective on Ladner living. A meaningful experience like this doesn't often appear — be part of a rare opportunity to live someplace cherished.
