

Home Features

Every Beaumont residence is expected to include:

- 3 and 4-bedroom floorplans
- Approximately 1,380–2,220 sq.ft.
- Open-concept layouts
- Spacious family-sized kitchens
- Large kitchen islands
- Premium cabinetry
- Stone countertops
- Contemporary bathrooms
- Heat pump heating and air conditioning
- Level 2 EV charging capability
- Double side-by-side garages
- Dedicated laundry rooms (selected homes)
- Family rooms in selected layouts
- Large windows for natural light
- Private outdoor living spaces
- Modern interior finishes
- Energy-efficient construction

Interior Design

Polygon has not publicly announced the interior designer. However, the homes feature Polygon's signature contemporary interiors with:

- Bright open living spaces
- Functional layouts
- Designer kitchens
- Elegant bathrooms
- Quality craftsmanship
- Durable family-oriented finishes

Architecture

While the architect has not yet been announced, Beaumont features:

- Mountain-inspired West Coast architecture
- Contemporary exteriors
- Clean rooflines
- Large windows
- Timber-inspired detailing
- Modern colour palette

Amenities

Unlike many condominium developments, Beaumont focuses on outdoor living and neighbourhood connectivity rather than an extensive clubhouse.

Residents benefit from:

- Walking trails
- Community pathways
- Children's play areas nearby
- Parks
- Green spaces
- Outdoor recreation
- Bike routes
- Easy pedestrian access to future village amenities
