Overview

Skylark - 623 Cottonwood Avenue, Coquitlam, BC V3J 2S5, Canada. Crossroads are Cottonwood Avenue and Adler Avenue. Developed by Polygons Homes. The project features two 6-storey buildings surrounding a private 5,000 square foot courtyard exclusively available to residents of

Skylark. The courtyard features an outdoor dining area, seating areas, a kids play area, a stretching area, and a ton of green space. Condos at Skylark will vary from 1, 2, and 3 bedroom layouts and offer diverse spaces from 626 to 1,173 square feet. All homes are designed for open-concept living and offer natural light through private balcony or patio spaces. Additional amenities include a sophisticated lobby, Parcel Pending smart electronic locker system, fitness studio, and a multi-purpose/event room, and a 2-level underground parkade.

Skylark is a collection of 1, 2 and 3 bedroom apartment homes surrounding a private courtyard in a desired area of West Coquitlam. Discover a community for those who like to be close to it all - live across the street from a neighbourhood park and a short walk from the Burquitlam SkyTrain Station, which connects you quickly and conveniently to great shopping, dining and much more.
